Location: Gaviota Coast, South of Highway 101 at Mariposa Reina exit

Project Title: Third Amendment to the Agreement for Reimbursement of the Cost of a Bikeway across the Gaviota Terminal Company Property

Project Description:
The Proposed action is for an amendment to an Agreement for Reimbursement of the Cost of a Bikeway across the Gaviota Terminal Company Property and does not involve physical development. Therefore the action does not have the potential for causing any significant effect to the environment.

Exempt Status:

☒ Categorical Exemption

Cite specific CEQA Guideline Section: 15061(b)(3)

Reasons to support exemption findings (attach additional material, if necessary):

The activities are covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment, and where it can be seen with certainty that there is no possibility that the activities in question may have a significant effect on the environment, the activities are not subject to CEQA. Construction of a bikeway would be a separate project requiring permits and subsequent approval by the Board of Supervisors that would include the necessary environmental review pursuant to CEQA.
