Title: Consider recommendations regarding an amendment to the Ordinance Setting Compensation and Benefits for Members of the Santa Barbara County Board of Supervisors, as follows:

a) Consider and approve the adoption (second reading) of the Ordinance which amends Ordinance 4980 setting compensation and benefits for members of the Board of Supervisors to provide for a 2.2% salary increase as determined by the October 2016 Annual Indices CPI-U increase for the Los Angeles-Riverside-Orange County area and to provide a 3.7% increase to the County contribution to health insurance for all Board members enrolled in and receiving County-sponsored health insurance effective sixty days after passage of the Ordinance; and

b) Determine that these activities are exempt from the California Environmental Quality Act (CEQA) review per CEQA Guidelines Section 15378(b)(4) since the recommended actions are government funding mechanisms or fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.
