**Subject:** So Cal Gas Project Hearing continuance

LATE  
DIST

Dear Santa Barbara County Board of Supervisors,

Hello. My name is Rebecca Claassen. I respectfully submit this request for a continuance of the public hearing for the SoCal Gas Company La Goleta Storage Field Enhancement project for the following reasons:

- 1) It is my understanding that the public notice describing this hearing did not explicitly state that drilling of four new wells will take place if this project goes through.
- 2) Also, I don't think it was published in The Independent, which has a large readership here in Santa Barbara.

This is an extremely important issue and the public deserves to have chance to take part in this process.

Thanks,

Rebecca Claassen
