Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am deeply compelled to do my part to uplift women and other historically (and currently) excluded groups in our society. Women belong in leadership positions and as the late, great Ruth Bader Ginsburg stated, "women belong in all places where decisions are being made." I aspire to build meaningful relationships with other women committed to leadership and service. My work as a photojournalist merges my creative and visual ambition with my drive to be connected with and informed about Santa Barbara county. I use my lens of the world (both figurative and literal) to highlight women and other underrepresented groups of humanity. Women in a patriarchal world are inherently experienced at pushing past limitations. I recognize that my white privilege gives me a systematic advantage over women of color. I aim to use my vantage point to elevate all women's voices and quality of life.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.
