OFFICE OF THE AUDITOR-CONTROLLER

AUDITOR'S REPORT

To the Honorable Board of Supervisors and the County of Santa Barbara, California:

Pursuant to Government Code §26920(a), we have reviewed the Statement of Assets (the Statement) of the Santa Barbara County Treasurer as of September 30, 2009, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in the Statement is the representation of the management of the County Treasurer.

A review consists principally of inquiries of Treasury personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the Statement taken as a whole. Accordingly, we do not express such an opinion.

As required by various statutes within the California Government Code, county auditor-controllers are mandated to perform certain accounting, auditing, and financial reporting functions. These activities, in themselves, impair independence standards. We believe that the following safeguards and division of responsibility exist to retain the audit organization's independence. The Santa Barbara County Auditor-Controller is directly elected by the voters of the jurisdiction. Also, the staff, having the responsibility to perform reviews, resides in a stand-alone division of the Auditor-Controller's Office and has no other responsibility of the accounts and records being reviewed.

Based on our review, we are not aware of any material modifications that should be made to the Statement in order for it to be in conformity with accounting principles generally accepted in the United States of America.
