Title: Consider recommendations regarding First 5 Children Santa Barbara County acceptance of grant dollars, as follows:

a) Accept \$10,000.00 from the Communications Consortium Media Center to engage with other community-based partners and educational systems around linking early learning to K-12 education. The proposed funding would enable the collaborative to conduct the following activities in preparation for submitting an ARRA proposal for School Readiness activities through the Department of Education investing in innovation funding; and

b) Accept \$14,250.00 from the Central Coast DULA Association to create a developed foundation of extended Welcome Every Baby services in Carpinteria. In partnership with the Central Coast Doula Association, First 5 will align research and evidence-based practices with our funding priorities targeting the 0-3 population.
