SUBJECT: 05AGP-00000-00028 (75-AP-034), Oak Investors Agricultural Preserve
Non-Renewal

Recommendations:

That the Board of Supervisors:

- A. Accept the request for nonrenewal of Agricultural Preserves 75-AP-034 and;
- B. Execute the attached Notice of Nonrenewal of Land Conservation Contract by the County for Assessor's Parcels 099-640-008, 135-010-019, -020, located approximately 3,200 feet south of the Highway 101 and 154 interchange, in the Los Olivos area, Third Supervisorial District.

Alignment with Board Strategic Plan:

The recommendations are primarily aligned with actions required by law or by routine business necessity.

Executive Summary and Discussion:

On October 7, 2005 the Agricultural Preserve Advisory Committee voted by a unanimous vote of 4 to 0 (Hammock absent) to acknowledge the submission of non-renewal of 75-AP-034 by the landowner. The subject property has been in an agricultural preserve since the original contract, 75-AP-034, was approved on January 1, 1976. The owners are requesting non-renewal of the contract as they wish to sell the property. The site is approximately 471 acres and is used for cattle grazing. The effective date for nonrenewal of the contract will be December 31, 2006.

Section 51245 of the Government Code provides that if either the landowner or the County desires in any year not to renew an agricultural preserve contract, that party shall serve written notice of nonrenewal of the contract upon the other party in advance of the annual renewal date of the contract. The Agricultural Preserve Advisory Committee's position is that while it does not encourage removal of property from preserve status, it recognizes that pursuant to the Uniform Rules of the County's Agricultural Preserve Program, nonrenewal is an accepted method for terminating a contract when the landowner chooses to withdraw from or does not abide by the requirements of the program.

Mandates and Service Levels:

Government Code §51200, known as the California Land Conservation Act of 1965 or the Williamson Act, provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

After recordation of non-renewal, property taxes on this site will be incrementally increased for the next ten years until full property taxes are assessed.

Permit revenues are budgeted in the Permitting & Compliance Program of the Development Review, North Division on Page D-296 of the adopted 2005 – 2006 fiscal year budget.

After recordation of non-renewal, property taxes on this site will be incrementally increased for the next ten years until full property taxes are assessed.

Special Instructions:

Please record the attached Notice of Nonrenewal by the County following your Board's approval and execution, and distribute copies of the executed Notice as shown on the notice below.
