RE: Reacquisition of Table A Water, Santa Barbara County

Dear Mr. Torgersen:

The Central Coast Water Authority has expressed an interest in acquiring 12,214 acre-feet of Table A water. The Santa Barbara County Flood Control and Water Conservation District is interested in additional information as to what would be required to pursue this acquisition.

If you have any questions, please contact Thomas Fayram, Deputy Public Works Director, at tfayram@cosbpw.net or at 805.568.3436.

Sincerely,

Peter Adam
Chair of the Board of Directors
Santa Barbara County Flood Control and Water Conservation District
