Dear Clerk of the Board,

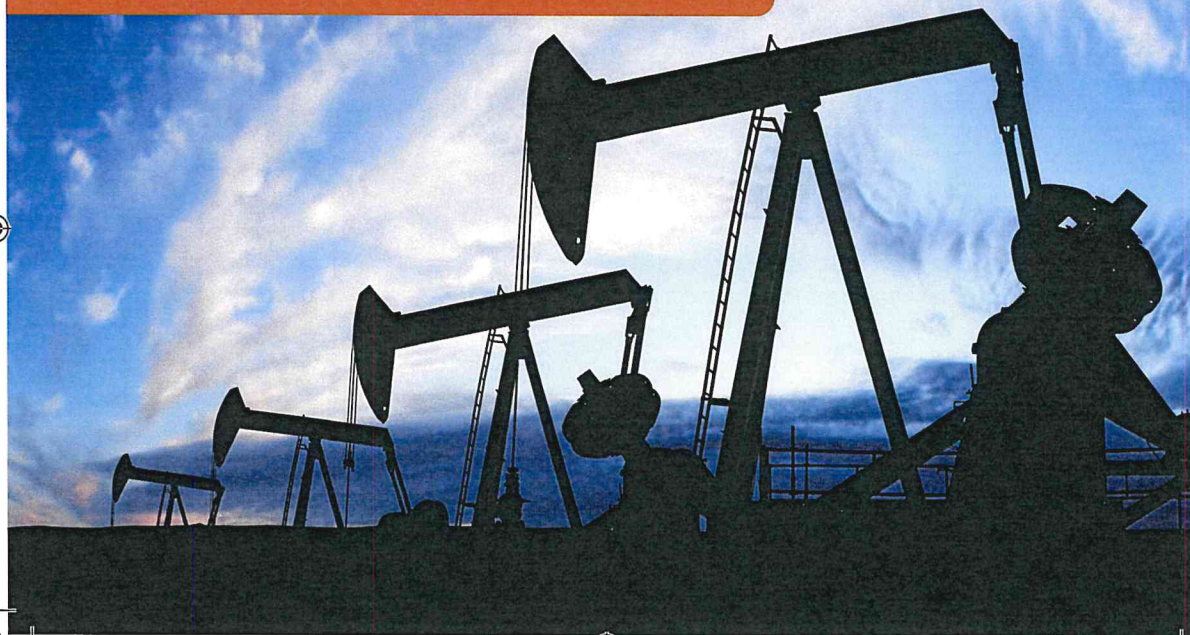

The Community Environmental Council (CEC), Santa Barbara Sierra Club, Environmental Defense Council (EDC), Los Padres Forest Watch, and CFROG submit 518 signed postcards expressing public support for an end to oil drilling in Santa Barbara County and a strong phaseout ordinance. CEC CEO Sigrid Wright will bring these postcards to the Board of Supervisors hearing today. I attached the PDF of the postcard and photo of the signed postcards for posting to the public comment record.

Thank you,
Tia Kordell

**Phase out oil and gas
in Santa Barbara County**

Dear Santa Barbara County Supervisors,

Please direct County staff to draft an oil and gas phaseout ordinance. Phasing out oil production will reduce air pollution, protect our drinking water, safeguard our health, and help meet the County's plan to cut greenhouse gas pollution in half by 2030.

I join the 40+ organizations calling for this phaseout to:

- ✓ **Fix the loophole in the County's Climate Action Plan**
- ✓ **Limit the most climate-damaging oil production**
- ✓ **Improve air quality and health outcomes**
- ✓ **Improve the safety of our drinking water supplies**
- ✓ **Improve road safety and trucking accidents**
- ✓ **Safeguard wildlife and endangered species**
- ✓ **Prevent disasters**

Thank you,
