Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

Hello, I am interested in applying my skills, education and leadership talents to serve the residents of the 3rd District. I have worked and volunteered for many years in the nonprofit field in a number of positions and have an innate ease with people. I believe my empathetic personality makes me easy to work with no matter the personality. I am able to inspire and rally others to get involved in issues that impact their lives.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

I have worked for many years in nonprofit organizations seeking the betterment of community, upon return from working as a field organizer in a presidential campaign I decided to go back to school and earned a master's degree in Public Policy and Administration in 2011, and a post-masters certification in Management and Organizational Behavior in 2014. I work for a local government as a Management Analyst and have a better understanding of how local governments work and want to put the totality of my skills, education, and experience to use. I have volunteered with United Way in Santa Barbara and Ventura Counties, FOODshare in Ventura County, and other organizations serving those in need. I served as the chairperson of the Camarillo
