Summary Text:

The Santa Barbara County Department of Behavioral Wellness provides a continuum of mental health and substance use disorder services to Santa Barbara County residents, including psychiatric and nursing services at its County facilities. Behavioral Wellness uses temporary staffing agencies to provide locum tenens psychiatrists, physician assistants and nurses backfill staffing shortages in budgeted positions, ensuring client access to care in a timely manner.

Approval of the recommended actions will allow Behavioral Wellness to continue to provide mandated and greatly needed psychiatry and nursing services in the Lompoc and Santa Maria areas without disruption to services.

Background:

Behavioral Wellness currently uses locum tenens temporary physicians to fill ongoing needs for psychiatric staff at outpatient facilities. Jackson & Coker and Locumtenens.com provide temporary psychiatrists to backfill vacancies at the Psychiatric Health Facility, Behavioral Wellness clinics, and at other Behavioral Wellness programs as needed.

Due to ongoing shortages of psychiatrists, Behavioral Wellness has had to continue to contract with locum tenens and since psychiatrists for Lompoc and Santa Maria are particularly difficult to find, this year we added Locumtenens.com.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>FY 16-17</u>	
General Fund		
State	\$	875,000.00
Federal	\$	875,000.00
Fees		
Other:

	\$	-

Narrative: The above referenced contracts are funded by State and Federal funds. The funding sources are included in the FY 2016-2017 Proposed Budget.

Key Contract Risks:

With any contractor providing temporary staffing services, there is a risk that temporary personnel will make errors, engage in misconduct, or be negligent in performance of assigned duties. Each of the contracts allows Behavioral Wellness to terminate individual temporary staff for cause, and requires that the agency provide Professional Liability insurance to mitigate these risks.
