THIS SUBRECIPIENT AGREEMENT (herein called the "Agreement") is made and entered into by and between the COUNTY of Santa Barbara (herein called the "COUNTY"), a political subdivision of the State of California, and UNITED WAY OF SANTA BARBARA COUNTY (herein called the "SUBRECIPIENT"), a California nonprofit organization, whose address is 320 E. WHEREAS, the COUNTY has secured a special allocation of funds authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed by President Trump on March 27, 2020 ("CARES Act Funds") from the State of California pursuant to the applicable provisions of subdivision (d) of Control Section 11.90 of the Budget Act of 2020; and

WHEREAS, the SUBRECIPIENT is a California nonprofit organization and represents that it has the skills, expertise and all licenses and permits necessary to perform the services required under this Agreement; and

WHEREAS, the SUBRECIPIENT is receiving a federal subaward as identified in Exhibit I in accordance with 2 CFR 200.331(a)(1); and

WHEREAS, the COUNTY wishes to engage the SUBRECIPIENT to assist the COUNTY to provide CARES Act eligible services to serve the citizens of the COUNTY; and

WHEREAS, the COUNTY desires to make available to SUBRECIPIENT Two Million Two Hundred Thousand Dollars (\$2,200,000) ("COUNTY Grant") to be used by SUBRECIPIENT to provide the services as delineated in Exhibits A and A-1 to this Agreement ("Scope of Service") for the period set forth in Section II TERM of this Agreement, as permitted by the CARES Act and the Regulations and according to the terms and conditions more particularly set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, it is agreed between the parties hereto that:

I. SCOPE OF SERVICE

A. General

All services will be provided in Santa Barbara County, as described in the Scope of Services attached hereto and incorporated herein as Exhibits A and A-1. Services will be provided under the supervision of the Executive Director of Subrecipient, who shall ensure that the background and qualifications of the SUBRECIPIENT's staff providing the services are appropriate for the persons being served under this program and, if applicable, meet the minimum standards established by pertinent licensing bodies.

- B. Scope of Services
The SUBRECIPIENT will be responsible for providing the services set forth in Exhibit A to this Agreement in a manner satisfactory to the COUNTY and consistent with all federal requirements and standards required as a condition of providing these CARES Act Funds. The funds may not be used for ineligible expenditures, as described in the Coronavirus Relief Fund Guidance for State, Territorial, Local and Tribal Governments updated June 30, 2020, as may be further updated.
- C. Eligible Costs
Only costs incurred to administer the services delineated in Exhibits A and A-1 Scope of Services are eligible for reimbursement and are included in the Budget attached hereto and incorporated as Exhibit B. All of the services shall be performed by SUBRECIPIENT or under SUBRECIPIENT's supervision. SUBRECIPIENT represents that it possesses the professional and technical personnel required to perform the services required by this Agreement. SUBRECIPIENT and its contractors and subcontractors shall perform all services in a manner commensurate with their own usual and customary standards and with the reasonable and ordinary level of care provided by others performing similar or like work.
- All services shall be performed by qualified and experienced personnel who are not employed by COUNTY. SUBRECIPIENT represents and warrants that the services to be performed will conform to the requirements of this Agreement; all applicable federal, state and local laws; and the highest professional standards.
- SUBRECIPIENT represents and warrants to COUNTY that it and its contractors and subcontractors have, shall obtain, and shall keep in full force and effect during the term hereof, at their sole cost and expense, all licenses, permits, qualifications, insurance and approvals of whatsoever nature that are legally required of SUBRECIPIENT to practice their professions.
- D. Performance Monitoring
The COUNTY will monitor the performance of the SUBRECIPIENT against goals and performance standards set forth in the Scope of Service (Exhibit A). SUBRECIPIENT's substandard performance as determined by the COUNTY will constitute SUBRECIPIENT's noncompliance with this Agreement. If action to correct such substandard performance is not taken by the SUBRECIPIENT within seven (7) days after being notified by the COUNTY, contract suspension or termination procedures will be initiated pursuant to Section VI.E.
- E. Changes
Any changes to this Agreement, unless otherwise noted, may only be made through a written amendment to this Agreement executed by COUNTY and SUBRECIPIENT. COUNTY and SUBRECIPIENT may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, are executed in writing, and signed by a duly authorized representative of each party. Such amendments shall not invalidate any parts of this Agreement that are not changed by the amendment, nor relieve or release COUNTY or SUBRECIPIENT from its obligations under this Agreement that are not changed by the amendment. SUBRECIPIENT agrees to not unreasonably

withhold its approval of any amendments proposed by COUNTY that are necessary in order to conform with federal, state or local governmental laws, regulations, ordinances, orders, rules, directives, circulars, bulletins, notices, guidelines, policies and available funding amounts.

If this Agreement is executed on behalf of COUNTY by the County Purchasing Agent (or designee) or the Director of the County Community Services Department (or designee) or both, the same duly authorized representative(s) shall execute any amendments to this Agreement in the same fashion subject to all other applicable requirements set forth herein or otherwise imposed by law. If this Agreement is approved by the County Board of Supervisors and executed by the Chair of the Board of Supervisors on behalf of COUNTY, any amendments to this Agreement must be approved and executed in the same manner except the Director of the County Community Services Department or designee is authorized to approve at his or her discretion and execute amendments on behalf of COUNTY to make any one or more of the following changes:

1. Changes to the Budget attached hereto as Exhibit B. Such changes shall be limited to (a) revisions to the amounts in each Budget line item, provided that the overall amount of the CARES Act Funds is not increased; and (b) additions to or deletions of the line items in the Budget; provided that all expenditures are eligible pursuant to Public Law 116-136. In no event shall an amendment be made pursuant to this subsection I.E.1 that will result in any change to the Scope of Services attached hereto as Exhibit A.
2. Administrative changes to the Agreement that are necessary in order to conform with federal, state or local governmental laws, regulations, ordinances, orders, rules, directives, circulars, bulletins, notices, guidelines, policies and available funding amounts.
3. Changes extending the length of the Term as described in Section II up to a maximum of 6 months. This Section shall not obligate the County to extend the length of the Term at SUBRECIPIENT's request or otherwise alter the County's rights to terminate this Agreement or reduce the award as set forth in Section VI.F. Any change made to the length of the Term pursuant to this Section shall not alter or waive the County's rights under this agreement, including but not limited to the County's right to terminate this Agreement as set forth in Section VI.E.

F. COUNTY Recognition

SUBRECIPIENT shall ensure recognition of the role of the COUNTY in providing CARES Act Funds through this Agreement. All activities, facilities and items utilized pursuant to this Agreement shall be prominently labeled as to funding source. In addition, the SUBRECIPIENT shall include a reference to the support provided herein in all publications made possible with CARES Act Funds made available under this Agreement.

II. TERM

A. Time of Performance

Services under this Agreement shall begin on August 18, 2020 and end on November 30, 2020, unless such time is extended by written Amendment pursuant to Section I.E. or unless terminated earlier or there are no CARES Act Funds available for any reason.

All work to be performed hereunder and set out in the Scope of Services shall be completed, and all eligible expenses as authorized in Exhibit B Budget have been incurred, by the expiration date. However, SUBRECIPIENT's obligations to complete the Scope of Services shall survive the expiration of the term of this Agreement.

III. **BUDGET**

The budget provided by SUBRECIPIENT to COUNTY for the performance of the Scope of Service is delineated in Exhibit B to this Agreement. COUNTY may require a more detailed budget breakdown than the one contained herein, and the SUBRECIPIENT shall provide such supplementary budget information within one (1) week of COUNTY'S request for a more detailed budget breakdown in the form and content prescribed by COUNTY. Any amendments to the budget must be approved in accordance with Section I.E.

SUBRECIPIENT represents that the budget includes only allowable costs and an accurate analysis of costs acceptable under the CARES Act, including requirements for compliance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, or the related CARES Act provisions, and all Subparts and Appendices, as applicable. These items shall be in sufficient detail to provide a sound basis for the COUNTY to effectively monitor SUBRECIPIENT performance under the Agreement, provided that the total dollar amount does not increase.

IV. **PAYMENT**

It is expressly agreed and understood that the total amount to be paid by the COUNTY under this Agreement shall not exceed the amount delineated in Exhibit B. Drawdowns for the payment of eligible expenses shall be made in accordance with the line item budgets specified in Exhibit B hereto. Upon receipt of an acceptable "*Expenditure Summary and Payment Request*" (ESPR), provided by HCD in a format similar to Exhibit C, which may be via electronic submission using a web-based reporting system, together with proper support documentation for the services described in Section I.A. and B. and performance data required in Section VII.C. of this Agreement, HCD shall review the claim and when approved, make payment. Payments may be contingent upon certification of the SUBRECIPIENT's financial management system in accordance with the standards specified in 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

COUNTY has no obligation to provide CARES Act Funds under this Agreement if for any reason there is not funding available from State of California to pass through to SUBRECIPIENT or if the Agreement is terminated or suspended.

ESPRs will be due 15 days following the end of each quarter as follows: October 15 for the quarter ending September 30; January 15 for the quarter ending December 31; April 15 for the quarter ending March 31; and July 15 for the quarter ending June 30. The County reserves the right to require an earlier submission date for the 4th quarter ESPR in order to meet County year-end reporting requirements as determined annually by the County Auditor.

SUBRECIPIENT also agrees to comply with applicable Federal, state and local laws, regulations, ordinances, orders, rules, guidelines, directives, circulars, bulletins, notices and policies governing the CARES Act Funds provided under this Agreement. The judgment of any court of competent jurisdiction, or the admission of the SUBRECIPIENT in any action or proceeding against SUBRECIPIENT, whether the COUNTY is a party thereto or not, that SUBRECIPIENT has violated any such law, regulation, ordinance or order, shall be conclusive of that fact as between SUBRECIPIENT and COUNTY. The SUBRECIPIENT further agrees to utilize CARES Act Funds available under this Agreement to supplement rather than supplant funds otherwise available.

B. Independent Contractor

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The SUBRECIPIENT shall at all times remain an independent contractor with respect to the services to be performed under this Agreement. COUNTY shall not be responsible for paying any taxes on SUBRECIPIENT'S behalf, and should COUNTY be required to do so by state, federal, or local taxing agencies, SUBRECIPIENT agrees to promptly reimburse COUNTY for the full value of such paid taxes plus interest and penalty if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance and workers' compensation Insurance. In addition, SUBRECIPIENT understands and acknowledges that it shall not be entitled to any of the benefits of a COUNTY employee, including but not limited to

vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure.

C. Insurance and Indemnification

The SUBRECIPIENT shall comply with the insurance and indemnification provisions set forth in Exhibit E "Standard Indemnification and Insurance Provisions" attached hereto and incorporated herein.

D. Workers' Compensation

The SUBRECIPIENT shall provide Workers' Compensation Insurance coverage for all of its employees involved in the performance of this Agreement as set forth in Exhibit E "Standard Indemnification and Insurance Provisions" attached hereto and incorporated herein.

E. Suspension or Termination

In accordance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, COUNTY may suspend or terminate this Agreement if SUBRECIPIENT materially fails to comply with the terms of CARES Act Funding award to COUNTY, including, but not limited to, assurances in an application, or a notice of award or any terms of the Agreement, which include but are not limited to, the following:

- Failure to comply with any of the laws, rules, regulations, ordinances, provisions, orders, guidelines, policies, circulars, bulletins, notices or directives referred to herein, or as may become applicable at any time;
- Failure, for any reason, of SUBRECIPIENT to fulfill its obligations under this Agreement;
- Ineffective or improper use of Program funds provided under this Agreement; or
- Submittal of reports that are false or that are incorrect or incomplete in any material respect.

1. Termination by COUNTY

COUNTY may, by written notice to SUBRECIPIENT, terminate this Agreement in whole or in part at any time, whether for COUNTY's convenience, for nonappropriation of funds, or because of the failure of SUBRECIPIENT to fulfill the obligations herein.

a. **For Convenience.** In accordance with 2 CFR Part 200, this Agreement may be terminated for convenience by COUNTY with the consent of SUBRECIPIENT in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

b. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or COUNTY governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then COUNTY will notify SUBRECIPIENT of such occurrence and COUNTY may terminate or suspend this Agreement in whole or in part, with or without a prior notice

period. Subsequent to termination of this Agreement under this provision, COUNTY shall have no obligation to make payments with regard to the remainder of the term.

- c. **For Cause.** Should SUBRECIPIENT default in the performance of this Agreement or materially breach any of its provisions, COUNTY may, at COUNTY's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, SUBRECIPIENT shall immediately discontinue all services affected (unless the notice directs otherwise) and notify COUNTY as to the status of its performance. The date of termination shall be the date the notice is received by SUBRECIPIENT, unless the notice directs otherwise.

2. Termination by SUBRECIPIENT

In accordance with 2 CFR Part 200, this Agreement may be terminated by SUBRECIPIENT, upon written notification to COUNTY, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, COUNTY determines that the remaining portion of the award will not accomplish the purposes for which the award was made, COUNTY may terminate the award in its entirety under 2 CFR Part 200.

3. Upon termination, SUBRECIPIENT shall deliver to COUNTY all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by SUBRECIPIENT in performing this Agreement, whether completed or in process, except such items as COUNTY may, by written permission, permit SUBRECIPIENT to retain.
4. If State of California or U.S. Department of the Treasury demand reimbursement from COUNTY for COUNTY's payments to SUBRECIPIENT due to SUBRECIPIENT's failure to comply with the terms of, including but not limited to, the grant agreement, assurances in an application, or a notice of award, any applicable term of this Agreement, or any law, regulation, ordinance, order, rule, directive, circular, bulletin, notice, guideline or policy referred to herein, or as may become applicable at any time, SUBRECIPIENT shall fully and completely reimburse COUNTY in the total amount of such disallowed payments. This provision shall survive the termination or expiration of this Agreement.

Each and every report, draft, map, record, plan, document and other writing produced (hereinafter "Documents"), prepared or caused to be prepared by SUBRECIPIENT, its officers, employees, agents, representatives, contractors and subcontractors in the course of performing this Agreement, shall be and become the exclusive property of COUNTY, and COUNTY shall have the sole right to use such materials in its sole discretion without further compensation to SUBRECIPIENT or any other party. SUBRECIPIENT shall, at SUBRECIPIENT's own expense, provide such Documents to COUNTY upon COUNTY'S written request.

4. Disclosure
The SUBRECIPIENT understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of the COUNTY's or SUBRECIPIENT's responsibilities with respect to the Scope of Work provided under this Agreement, may be prohibited under state or federal law unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.

Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the SUBRECIPIENT has control over CARES Act Funds, including program income.

6. Audits & Inspections
All SUBRECIPIENT records with respect to any matters covered by this Agreement shall be made available to COUNTY, the State of California, and the Comptroller General of the United States or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make copies, excerpts or transcripts of all relevant data. Any deficiencies, audit findings, or required corrective actions noted in audit reports must be fully cleared by the SUBRECIPIENT within 30 days after receipt by SUBRECIPIENT unless a longer time period is agreed upon in writing by the COUNTY. SUBRECIPIENT hereby agrees to have an annual single audit conducted by a certified public accounting firm in accordance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and current COUNTY policy and requirements concerning audits.

The SUBRECIPIENT will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, advising the labor union or workers' representative of the SUBRECIPIENT'S commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

6. Contract and Subcontract Provisions
The SUBRECIPIENT will include the provisions of Sections IX.A and IX.B, Civil Rights, and VIII.B, Affirmative Action, in every contract or subcontract or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own contractors and subcontractors.

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR's indemnification obligation applies to COUNTY's active as well as passive negligence but does not apply to COUNTY's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, its agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.
4. **Professional Liability (Errors and Omissions)** Insurance appropriate to the CONTRACTOR'S profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the CONTRACTOR maintains higher limits than the minimums shown above, the COUNTY requires and shall be entitled to coverage for the higher limits maintained by

the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.

Contracts/subcontracts of less than \$10,000 need be reported only if such contracts represent a significant portion of your total contracting activity. Include only contracts executed during this reporting period.

This form has been modified to capture Section 3 contract data in columns 7g and 7i. Section 3 requires that the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. Recipients using this form to report Section 3 contract data must also use Part I of Form HUD-60002 to report employment and training opportunities data. Form HUD-2516 is to be

A Section 3 contractor/subcontractor is a business concern that provides economic opportunities to low- and very low-income residents of the metropolitan area (or nonmetropolitan county), including a business concern that is 51 percent or more owned by low- or very low-income residents; employs a substantial number of low- or very low-income residents; or provides subcontracting or business development opportunities to businesses owned by low- or very low-income residents. Low- and very low-income residents include participants in Youthbuild programs established under Subtitle D of Title IV of the Cranston-Gonzalez National Affordable Housing Act. The terms "low-income persons" and "very low-income persons" have the same meanings given the terms in section 3(b)(2) of the United States Housing Act of 1937. Low-income persons mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary

may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

EXHIBIT H

Federal Labor Standards Provisions

U.S. Department of Housing and Urban Development Office of Labor Relations

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section I(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) **Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) **Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration . . . makes, utters or publishes any statement knowing the same to be false . . . shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.
