2. ACTIVITY DESCRIPTION/PERFORMANCE GOALS

A. Scope of Work to be performed

SUBRECIPIENT will administer an Emergency Rent Assistance program (Program) as authorized by the American Rescue Plan Act of 2021. The Program will provide emergency assistance payments to qualifying households who apply to SUBRECIPIENT's on-line application portal. Assistance may cover 100% of arrears dating back to March 13, 2020, current amounts due, and up to 3-months of prospective rent, relocation assistance (such as security deposits and first and last months rent for securing a new unit), and other expenses related to housing (such as motel stays where the household has been temporarily or permanently displaced from its primary residence and does not have a permanent residence elsewhere) as authorized by the American Rescue Plan, for up to a total of 18-months combined assistance under the Consolidated Appropriations Act ERAP and this American Rescue Plan ERAP. Rental arrears must be prioritized before current or future rent. Eligible expenses include rent, utilities, relocation assistance, and other expenses related to housing. The funds may not be used for ineligible expenditures, as may be described in U.S. Department of Treasury or State of California guidance.

Payments will be made directly to the owners or managers ("landlords") of the rental units on behalf of the tenants except as otherwise provided herein. Rent payments may be made to tenants directly in limited circumstances where landlords do not accept ERA payments despite (i) a request for participation is sent in writing, by mail, to the landlord, and the addressee does not respond to the request within seven calendar days after mailing; (ii) SUBRECIPIENT has made at least three attempts by phone, text, or e-mail over a five calendar-day period to request the landlord or utility provider's participation; or (iii) a landlord confirms in writing that the landlord does not wish to participate.

Qualifying households are also eligible to apply for utility payment assistance, for arrears dating back to March 13, 2020, current, and up to 3-months of prospective utility payments, for a total of 18-months combined assistance under the Consolidated Appropriations Act ERAP and this American Rescue Plan ERAP.

The Emergency Rent Assistance Program is intended to prevent homelessness by providing rent assistance to residents who experienced a loss of income due to, or during, coronavirus, also known as COVID-19. Program applicants at or below 50% AMI will be prioritized for assistance and offered additional housing counseling services. SUBRECIPIENT must require applicants to document that they have:

- a. one or more individuals within the household has qualified for unemployment benefits or experienced a reduction in household income, incurred significant costs, or experienced other financial hardship during or due to or during the coronavirus pandemic;
- b. one or more individuals within the household can demonstrate a risk of experiencing homelessness or housing instability, which may include past due rent and utility notices and eviction notices, if any, as part of the application process; and
- c. the household is a low-income family (as such term is defined in section 3(b) of the United States Housing Act of 1937 (42 U.S.C. 1437a(b))). For determining annual income, SUBRECIPIENT shall document at least one of the following methods of Income Certification for each approved application:
 1. Source Document Income Certification. Obtain at the time of application source documents evidencing annual income from 2020 or more recent (e.g., tax return, wage statement, interest statement, unemployment compensation statement). Alternatively, may determine monthly income, SUBRECIPIENT must obtain income source documentation, as listed above per 4 CFR Part 5.609, for at least the two months prior to the submission of the application for assistance.
 2. Categorically Eligible. If an applicant's household has been verified as a low-income family as defined in section 3(b) of the United States Housing Act of 1937 (42 U.S.C. 1437a(b)) (for ERA2) in connection with another local, state, or federal government assistance program, grantees are permitted to rely on a determination letter from the government agency that verified the applicant's household income or status as a low-income family, provided that the determination for such program was made on or after January 1, 2020. I.e., Medi-Cal, WIC, Free and Reduced Lunch, SNAP, Cal Fresh, CalWORKS, SNP, Free and Reduced Lunch Program for California Families, and any household income-based state or federally funded assistance program for low-income persons or households.
 3. Self-Certification. SUBRECIPIENT may rely on a self-attestation of household income without further verification if the applicant attests under penalty of perjury in their application or other document that they are unable to provide documentation of their income. If a written attestation without further verification is relied on to document the majority of the applicant's income, SUBRECIPIENT must reassess the household's income every three months.

SUBRECIPIENT will serve qualified program beneficiaries who submit an application on United Way’s application portal on a first-come, first served basis and applicants will be placed in the queue when their applications are deemed “complete” by the SUBRECIPIENT, i.e. when all required supporting documentation is received, such as income information, proof of job loss or reduced hours, etc. The order of applications accepted and processed may not necessarily reflect the order of when applicants first contacted the SUBRECIPIENT or date that the application was first submitted. In addition, the SUBRECIPIENT may find, upon further examination of supporting documentation, that some applicants won’t meet the income or other eligibility criteria and will deny applications when warranted. In order to prioritize eligible households at or below 50% AMI, SUBRECIPIENT will process checks to this population prior to other qualifying households in its bi-weekly check cutting cycle. Applicant households at or below 50% AMI may also be referred to SUBRECIPIENT’s subcontractor for eviction prevention housing counseling services.

SUBRECIPIENT shall staff a call center during business hours where tenants, landlords, and courts at their option can obtain the status of an application and request documentation of such status.
