

CONTRACT TO PROVIDE PRINTING AND MAILING SERVICES

Santa Barbara County
Department of Social Services

**First Amendment
August 2008**

This is the first amendment to the Agreement for Services between the **County of Santa Barbara** (COUNTY) and **Document Fulfillment Services (DFS)** (CONTRACTOR), for the continued provision of CalWIN client correspondence printing and mailing services. This amendment is necessary as a result of a rate adjustment made by the postal services in the cost of postage as well as a State regulated increase in the font size used on all client correspondence which has resulted in higher page counts and thereby a larger volume of mail sent to clients.

The County has approved this first amended contract to adjust the compensation to Contractor to enable Contractor to perform the duties and responsibilities contemplated by the Contract for the term of March 1, 2007 through June 30, 2009. The terms and conditions set forth in the existing contract numbered BC# 07-115, approved by the County Board of Supervisors on January 23, 2007 shall remain the same with the following exception:

1. **Amendments**

Exhibit B, Page 1 is amended as follows:

- A. For CONTRACTOR services to be rendered under this contract, CONTRACTOR shall be paid a total contract amount, including cost reimbursements & postage, not to exceed \$587,167.

IN WITNESS WHEREOF, this First Amended Contract has been executed by parties hereto upon signature by the Clerk of the Board.
