SUBJECT: Resolution for 13th Cycle (Fiscal Year 2007/2008) Used Oil Recycling Block Grant Application

County Counsel Concurrence

As to form: Yes

Auditor-Controller Concurrence

As to form: N/A

Other Concurrence: N/A

As to form: Select_Concurrence

Recommended Actions: That the Board of Supervisors adopt the attached resolution to authorize the submittal of a regional application for the California Integrated Waste Management Board's Thirteenth Cycle Used Oil Recycling Block Grant in the estimated amount of \$52,000.

Summary Text:

The Resource Recovery and Waste Management Division proposes to submit a regional application on behalf of the County and the Cities of Buellton, Goleta, and Solvang to the California Integrated Waste Management Board for a non-competitive Used Oil Recycling Block Grant in the estimated amount of \$52,000. The Used Oil Recycling Block Grant Program provides funds to cities, counties, and other local agencies to help prevent the improper disposal of used motor oil.

If awarded, the Thirteenth Cycle Used Oil Recycling Block Grant (Fiscal Year 2007/2008) will be used to fund the continued curbside collection of used oil in northern Santa Barbara County, countywide public education and outreach efforts on proper management of used motor oil and oil filters, and technical assistance to permanent collection centers. The Santa Barbara County Public Works Department has participated in the State's grant program to fund these activities since 1997.

The California Integrated Waste Management Board requires the governing body of each local government participating in the program to authorize submittal of the grant application; therefore, in

addition to the requested Board Resolution, the application will include authorization letters from each of the County’s regional partners (the Cities of Buellton, Goleta, and Solvang).

Background:

The California Oil Recycling Enhancement Act (Statutes of 1991, Chapter 817) authorizes the collection of four cents from oil manufacturers for every quart of lubricating oil sold, transferred, or imported into California. With the collected funds, the Act mandates the California Integrated Waste Management Board to provide used oil collection opportunities and non-competitive Used Oil Recycling Block Grants to local governments to establish used oil collection and education programs.

The Thirteenth Cycle Used Oil Recycling Block Grant will further the efforts of the County to comply with the mandates set forth in the 1989 California Integrated Waste Management Act (Public Resources Code, Title 14, Division 7). The Act requires submittal of a Household Hazardous Waste Element (HHWE) that describes the recommended programs to divert household hazardous waste, including used motor oil and filters, from landfills. Your Board adopted the HHWE on February 4, 1992.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY Cost:</u>	<u>Annualized On-going Cost:</u>	<u>Total One-Time Project Cost</u>
General Fund			
State			\$ 52,000.00
Federal			
Fees			
Other:			
Total	\$ -	\$ -	\$ 52,000.00

Narrative: This grant application, if approved, will provide funding to offer oil collection and education programs in our community. The funds will be spent during Fiscal Year 2007/2008 and Fiscal Year 2008/2009. The funds will be allocated to the following account:

Fund Number: 1930
Department Number: 054
Program Number: 1950
Account Number: 7460

Staffing Impacts:

Legal Positions:

FTEs:

Special Instructions:

Please return a copy of the signed Resolution to Leslie Robinson in the Public Works Department, Resource Recovery and Waste Management Division, by May 29, 2007.
