That the Board of Supervisors:

- A. Set a public hearing for September 9, 2008, to consider the attached Ordinance amending Chapter 23B of the Santa Barbara County Code, pertaining to the Permit Parking Program (20 min. total, 10 min. staff).
- B. Conduct a second hearing on September 16, 2008 to adopt the attached Ordinance, amending Chapter 23B of the Santa Barbara County Code, pertaining to the Permit Parking Program.

Summary Text:

California Vehicle Code, section 22507, authorizes local authorities to establish preferential permit parking for residents and merchants of an identified zone by Ordinance or Resolution. The County currently has a preferential parking Ordinance; Chapter 23B of the Santa Barbara County Code that was adopted in 1994 and amended in 2004.

Chapter 23B, also known as the Permit Parking Program, establishes criteria to be used in designating and managing a permit parking area. In 2004, Chapter 23B was amended to establish a comprehensive parking permit program for the Isla Vista area. At that time the Public Works Department was in the process of establishing a large scale parking program for the entire Isla Vista area and the intent was that the Public Works Department would administer the program. Unfortunately, when this change to Chapter 23B was done, it was done Countywide and not just for the Isla Vista area.

By approval of this new Ordinance, your Board will be establishing a residential permit parking program that can be used Countywide and would be administered by the Sheriff's Department, while keeping the code in place for a large scale permit parking program in the Isla Vista area that could be administered by the Public Works Department.

Background:

In 1994, Chapter 23B of the Santa Barbara County Code was adopted establishing a Permit Parking Program. This program allowed for parking permit areas to be established, by Resolution, in areas where on-street parking is congested due to long term parking of vehicles that do not belong to residents, owners or guests of the adjacent property.
