SUBJECT: Construction of South Coast Recycling & Transfer Station Storm Water Clarifier and Drainage Improvements near Santa Barbara, California, County Project No. 828342, Second Supervisorial District

Recommendation(s):

That the Board of Supervisors:

Review and approve the Statement of Final Quantities for work performed and materials supplied for this project by the Contractor, Tierra Contracting, in the amount of \$97,830.00

Alignment with Board Strategic Plan:

The recommendation is primarily aligned with Goal No. 2, Ensure the Public Health and Safety and Provide Essential Infrastructure.

Executive Summary and Discussion:

The project consisted of the construction of a storm water clarifier at the South Coast Recycling and Transfer Station (Transfer Station). This project will assist in removing debris from storm water leaving the site of the Transfer Station and contribute to meeting the requirements of the California Regional Water Quality Control Board.

The project was started on July 26, 2004, and was accepted by the Director of Public Works as complete on September 22, 2004.

This project was completed on time and for an amount of \$97,830, which is within the approved contract amount of \$107,613.00 including contingency.
