Section 5. Agency Shop

- A. Agency Fees - Agency shop as used in this section means an organizational security agreement as defined in Government Code Section 3502.5 and applicable law. This Agency Shop provision shall be in full force and effect for the first three years of this agreement only.

Each employee in the non-supervisory unit hired as a regular employee after July 19, 1995, shall be required within 30 days of his/her first day of employment in the bargaining unit to choose to: a) become a member in good standing of the Union; or, b) satisfy the agency fee financial obligations set forth below, unless he/she qualifies for the religious exemption set forth in subsection B below.

Unless the employee has: a) voluntarily submitted to the County an effective dues deduction request; b) individually made direct financial arrangements satisfactory to the Union as evidenced by notice of the same by the Union to the County; or, c) qualified for exemption upon religious grounds as provided below, the County shall upon receipt of notice from the Union process a mandatory agency fee payroll deduction in the appropriate amount and forward that amount to the Union.

Non-supervisory employees who are Union members shall be required to pay the agency fee or charitable donation if they cancel membership.

The amount of the fee to be charged shall be determined by the Union subject to applicable law, and shall be an amount not to exceed the normal membership dues and general assessments applicable to Union members. The amount of the agency fee charged shall not include expenditures prohibited by law.

2. To qualify for the religious exemption the employee must provide to the Union, with a copy to the County, a written statement of objection, along

Section 8. Medical and Dental Coverage

A. For new employees, medical and dental coverage benefits under this Section shall be effective at the beginning of the month that immediately follows the employee's first pay period of employment in a regular position. Part-time employees must be employed a minimum of fifty percent (50%) of full-time in order to be eligible for insurance benefits.

B. The County and the Union agree that Preferred Provider Organization (PPO), Health Maintenance Organization (HMO) and Exclusive Provider Organization (EPO) medical plans and PPO and Dental Maintenance Organization (DMO) dental plans shall be available to employees.

C. The County shall contribute up to ~~\$393.47~~ 344.97 twice monthly toward the cost of the twice monthly premium for employee-only medical coverage. The County shall contribute up to \$13.03 twice monthly toward the cost of the twice monthly premium for employee-only dental plan coverage. These contributions are based on full-time employment; part-time employees shall receive a prorated contribution based on their percentage of full-time employment. Insurance plan premiums that exceed the County's biweekly contribution shall be paid by the employee through payroll deductions. During the term of this agreement, the County shall pay 100% (pro rated for part-time employees) of the least expensive EPO employee-only premiums.

Employees may select coverage from the following options:

Medical*

- PPO Medical Plan(s)
- HMO Medical Plan(s)
- EPO Medical Plan(s)

*All medical plans include employee assistance program coverage and healthcare advocacy services.

D. Employees may insure their eligible dependents under the medical and dental plans in accordance with the rules and regulations applicable to obtaining said dependent coverage.

E. The County shall meet and confer with the Union prior to reducing the level of benefits provided by the indemnity dental plan.

F. If two regular County employees are either a) married to each other or b) registered as domestic partners as specified below, and are both eligible for a contribution from the County toward employee-only medical and dental coverage (as in Paragraph C above), they may consolidate the County contributions toward the cost for "employee plus dependent(s)" coverage held by one of the employees. In this situation, one employee (referred to below as the "spouse" or "partner") becomes a dependent on the other employee's (referred to below as the "primary employee") medical and dental coverage.

In order to be eligible under this provision, all of the following conditions must be met:

- Both employees are covered by the same medical and dental plans;
- The spouse or partner is insured as a dependent on the primary employee's medical and dental plan insurance;
- The spouse or partner has waived employee-only coverage;
- Both employees have authorized the consolidation of contributions on a form prescribed by the Human Resources Director.
- In the case of domestic partnerships, the employees must be so registered with a domestic partner registry maintained by a California city or county government or by the State of California. Employees registering as domestic partners shall be responsible for all tax consequences of this benefit.

The amount of the consolidated contributions shall be that amount which would otherwise be contributed by the County toward the primary employee's and the spouse's or partner's employee-only premiums for the respective medical and dental plan, less the cost for participation by the spouse or partner in the Employee Assistance Program and the County's healthcare advocacy program. The appropriate contributions shall be made by the respective departments employing each employee.

Section 9. Health Insurance Benefits During Medical Leave of Absence

Employees who are placed on a leave of absence resulting from a medical condition including injury, illness, pregnancy or childbirth shall receive the County contribution toward health plan coverage (as provided in Section 8) for a leave period up to eighteen months. Premium amounts exceeding the County contribution and for dependents shall be the responsibility of the employee during the leave period. If an employee has paid leave accruals in excess of eighteen (18) months at the start of the leave, the County will continue to make its contribution toward health coverage while paid leave is being used and until such time as the paid leave is exhausted.

- A. All full-time and part-time employees in Union represented classifications shall be eligible to participate in the County sponsored Flexible Spending Account Plan.

3. Pre-Tax Dependent Care Spending Account Option
4. Pre-Tax Life Insurance Premium Option;
5. Pre-Tax Personal Accident Insurance Program.

These options are described in detail in the Flexible Spending Plan Legal Document which is available to all employee organizations. Compensation received in accordance with Section 11 (Benefit Allowance) may be used by employees to fund the options described above. All salary reduction amounts are included in base salaries for the purpose of computing retirement earnings and are subject to appropriate Internal Revenue Service regulations.

The County shall meet and confer with the Union prior to revising the benefit options.

- B. Benefits selected under this plan cannot be changed during the plan year except for a change in family status consistent with the benefit change. Enrollment in the plan shall be offered on an annual basis at the beginning of the plan year. New employees may enroll within the first thirty (30) days of employment. Continued operation of the program shall be subject to County administrative procedures.

Section 11. Benefit Allowance

- A. The County shall contribute \$267.99 per pay period per full-time employee as a benefit allowance. Regular part-time employees are eligible for this allowance based on a prorated equivalent of their employment status. The benefit allowance, which is received in cash, has a primary purpose of allowing employees to fund employee and dependent health insurance costs. Employees may also use the allowance to fund options in the Flexible Spending Account Plan and/or receive the remainder in cash.
- B. This allowance will be paid on a biweekly basis to each regular employee based on the prorated number of non-premium hours paid in a pay period.

Section 12. Bilingual Allowance

- A. An employee, whose duty assignments require regular and frequent use of bilingual language skills in Spanish and English shall be designated by the department head to receive bilingual allowance. The department head shall designate the employee in writing to the Human Resources Director prior to being effective. The employee shall retain such bilingual designation only until a change in assignments is reported in writing by the department head to the Human Resources Director. Additional compensation for bilingual duties is payable as an allowance and not as part of basic salary, but shall be payable at the same time as regular compensation. When a full-time employee is assigned by a department head to duties requiring regular and frequent use of bilingual language skills he/she shall receive an allowance of \$25.38 per pay period. When a part-time employee is assigned to bilingual duties, the bilingual allowance shall be prorated and paid on the same basis that the part-time position is filled and compensated.
- B. As used in this section, the phrase "regular and frequent" means at least once each working day, or at least five times each work week. Payment for the bilingual skill is restricted to the actual needs of the position. An employee's ability to read, write, or speak Spanish, occasional or incidental use of language skills in Spanish or the use of bilingual language skills other than for the purpose of meeting the requirements of the job shall not warrant a bilingual allowance.

Section 13. Special Duty Allowance

- A. Employees regularly assigned to work at the Psychiatric Health Facility (PHF) or other hospital practice shall receive a 5% special duty allowance.
- B. Employees regularly assigned to work in Santa Maria and/or Lompoc shall receive a 5% special duty allowance.

- C. Unused sick leave shall be cumulative from year to year, with no accrual limit.
- D. Sick leave usage may not exceed the employee's accrued sick leave balance reported on the Leave Report at the end of the pay period immediately preceding the pay period in which the leave is taken.
- E. A department head may require evidence in the form of a physician's certificate, or otherwise, of the adequacy of the reason for any employee's absence during the time for which sick leave was requested. Under no circumstances is sick leave to be used in lieu of, in addition to, or as vacation. The Auditor may require a physician's certificate from the department in order to determine correctness of payroll records.
- F. When a member of the immediate family is seriously ill or injured and requires the presence and attendance of an employee, the employee may be allowed by the appointing authority to use up to six days (48 hours) accumulated sick leave to attend such family member, provided that not more than six days per year may be allowed for the illness or injury of any one member of the employee's immediate family. Subject to department head approval, an employee may exceed the five day limit to care for an immediate family member who has a catastrophic or life threatening illness as verified by a physician's statement.
- G. Up to a maximum of five days (40 hours) of accumulated sick leave may be allowed by the appointing authority to an employee for absence from duty because of any and each death in his immediate family.

Time off in excess of two hours and up to an additional two hours may be used for this purpose, but such additional time off shall be charged to accumulated sick leave. Leave for the purpose of donating blood shall not exceed five times in any one calendar year.
- J. Except upon Layoff in accordance with Civil Service Rule XI, termination of County employment shall abrogate all sick leave accrued to the time of such termination, regardless of whether such person subsequently re-enters County employment of service. No payment shall be made to any employee for unused sick leave accumulated to his credit at the time of his termination from County service.
- K. Employees who retire from the County shall have their accumulated sick leave credit of up to 2,088 hours added to their term of service for purposes of calculating retirement benefits.

Section 15. Vacation

- A. For each hour in a regular pay status, excluding overtime, call-back, and standby, each regular full-time or regular part-time employee shall accrue vacation based on continuous County service as provided in the chart below.

- D. No payment in lieu of vacation shall be made to any employee except upon separation of employment. Separating employees shall be paid for accumulated vacation as of the date of separation .

E. An employee is not entitled to vacation credits or accrual unless or until they have been a regular employee for six (6) continuous months. Consequently, a person failing to complete such service receives no payment for vacation credits upon termination.

F. Vacation shall not include any regular holidays taken during a vacation period.

- C. Donations:
- are voluntary;
 - are made from accrued vacation, holiday or overtime balances; donation of sick leave is not permitted;
 - must be for a minimum of eight (8) hours, in whole hour increments;
 - are irrevocable, and if any donated hours remain at the end of the recipient's catastrophic leave, they shall remain available for the sole use of the recipient; and
 - are taxable on the part of the recipient, in accordance with IRS regulations, and are subject to withholding as required by law.
- D. An employee may not donate more than eighty (80) hours to any other individual employee.
- E. The total donations received into his/her vacation balance by an employee shall normally not exceed 1040 hours; however, donations in excess of 1040 hours may be considered and approved by the recipient's appointing authority.
- F. Upon approval of a request for donations, the appointing authority (or his/her designee) shall, at the employee's request, post a notice of the eligible employee's need for donations on departmental bulletin boards accessible to employees; confidential medical information shall not be included in the notice. If the eligible employee is in his/her original probationary period, the notice will include a statement of that fact.
- G. Donations shall be administered according to procedures established by the Auditor-Controller, and requested on a form prescribed by the Auditor-

Controller. Signed approvals of the receiving and donating employees must be properly provided before a donation is processed.

- H. Nothing in this section shall be construed to modify the employment relationship between the County and the receiving employee, or to restrict the County's management rights. Neither shall this section modify existing County rules, policies or agreements regarding unpaid leave of absence or family care leave.

Section 18. Administrative Leave

- A. Purpose. Salaried employees are compensated for meeting the requirements and performing the duties of their job regardless of the number of scheduling of hours worked. Such employees may be required periodically or routinely to work long or irregular hours, and to attend various meetings and functions outside of normal "business hours" to fulfill their responsibilities.

Due to standards of public accountability and the resulting need for all employees to account for all time for which they are compensated, the County has created a vehicle to record paid time off not charged to accrued leave balances when a salaried employee occasionally works less than his/her regular schedule. This paid time off is called administrative leave. The purpose of administrative leave is to provide a process for authorized leave time to record amounts to be paid to salaried employees when their pay period total regular hours plus any use of vacation, holiday or sick leave is less than their normal schedule (e.g., 80 hours for full-time employees).

- B. Approval Required. Salaried employees do not have a right to administrative leave. This leave is not an entitlement, is not related to hours worked nor is it subject to accrual or payment for unused leave. Use is completely discretionary, upon approval of the department head. Department heads may approve administrative leave in recognition of extraordinary work assignments, excessive work time beyond normal work schedules or to reward outstanding individual performance.
- C. Procedure. Salaried employees, after having recorded any regular, sick leave, holiday and/or vacation taken as appropriate in a pay period, may use administrative leave with the approval of their department head. The department head may grant a salaried employee up to 80 hours of administrative leave per payroll year. The County Administrator may approve additional administrative leave upon the written request of the department head.

Prior to implementing employee contribution rate adjustments, the County shall give notice and upon request provide an opportunity to meet. The County and the Union agree that under some circumstances, alternative work schedules (9/80, 4/10 and/or modified starting or ending times) may be beneficial to both employees and the County. Accordingly, employees may request to work an alternative work schedule. Such requests shall be subject to approval by County management. County management reserves the right to remove employees from alternative work schedules. To the extent possible, two weeks advance written notice will be provided to the employee.

- B. No material relating to performance appraisal or disciplinary action shall be placed in the personnel file of an employee represented by the Union without the employee first being given an opportunity to read such material and attach a reply if the employee desires, which shall remain with said material.
- C. At the request of the employee and after three years from the date of insertion, an employee may request that judgmental or incidental material in his/her departmental file be sealed if legally permitted and in the opinion of management the material has no significant importance in evaluating the employee's ongoing

performance with the County. If material is sealed, it may be reopened for good cause only.

Section 26. Performance Evaluations

- A. The Union and the County agree on the importance of completing Employee Performance Reviews (EPRs) in a timely way and that EPRs should fairly and objectively reflect employees' performance.
- B. Employees shall be given an opportunity to read and sign their performance evaluations prior to placement of the evaluations in the employee's official personnel files. It is acknowledged that the fact the employee has signed a performance evaluation does not necessarily mean the employee agrees with the evaluation, but that such signature shall be evidence of the employee's knowledge of the completed evaluation. The employee shall receive a copy of the performance evaluation within thirty (30) working days of the date of the evaluation.

 - Discuss with his/her reviewer
 - Discuss with his/her Assistant Director
 - Discuss with his/her Department Head

If the matter continues to remain unresolved, the employee may bring the issue to the attention of CEO/Human Resources. The parties agree that if the issue is not resolved, outside mediation may be considered.

- E. The parties further agree that any employee who does not receive his/her EPR by the date the evaluation is due will, by default, be deemed to be a satisfactory performer and will be eligible for the annual increase associated with satisfactory performance. Should an employee believe that his/her performance was better than satisfactory he/she may take the matter to the Assistant Director and/or Director and attempt to resolve the issue. If unable to resolve the matter at the Department level, the employee may take the matter to CEO/Human Resources.
