Summary Text:

This action is necessary for the County to obtain credit points as part of Federal Emergency Management Agency's (FEMA) National Flood Insurance Program (NFIP) Community Rating System (CRS) program.

Background:

The County participates in the Community Rating System, a voluntary incentive program offered by FEMA's National Flood Insurance Program. If the County promotes standards and practices that exceed the minimums as required by FEMA, "credit points" are achieved. If enough points are accumulated, citizens within the unincorporated areas of the County receive a discount on their flood insurance premiums. Santa Barbara County is currently at a CRS rating of 6, which means a 20% discount is offered.
