EXHIBIT A

STATEMENT OF WORK

1. Project Name: Sobering Center
2. Project Purpose: The Santa Maria Sobering Center provides a safe, medically supervised space for individuals to stabilize and recover from intoxication. With seven beds staffed by medical professionals and peer support staff, SMSC serves as a critical intervention point for those discharged from Marian Medical Center's Emergency Department or diverted from jail by law enforcement. The underlying rationale for the Sobering Center's work is based on a harm reduction approach, recognizing that immediate stabilization presents a key opportunity for intervention. By offering direct transport, warm hand-offs, and linkages to treatment, shelter, and housing programs, SMSC interrupts this cycle and increases the likelihood of engagement in services that address the root causes of substance use and homelessness.
3. Services to be Provided: As part of operations of Santa Maria Sobering Center, grantee will complete the following activities to ensure appropriate referrals into services and warm handoffs of clients to treatment service:
 - A. Hospital Partnership Initiative: Grantee will establish and maintain a hospital partnership initiative, ensuring the diversion of individuals experiencing homelessness with Substance Use Disorder (SUD) from the local emergency room to the Sobering Center for stabilization and connection to ongoing services.
 - B. Law Enforcement Partnership Initiative: Grantee will partner with law enforcement to create a diversion plan for justice-involved individuals under the influence, resulting in the diversion of individuals from the justice system to the Sobering Center for stabilization and services.
 - C. Warm Handoffs: Grantee will ensure warm handoffs are a regular part of staff processes, resulting in clients being connected to treatment, shelter, and/ or support services before leaving the Sobering Center.
4. Type of Opioid Settlement Activity:
 - A. High Impact Abatement Activities: Addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD; Diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction.
 - B. Core Strategies (Schedule A): Expansion Of Warm Hand-Off Programs and Recovery Services.
 - C. Approved Uses (Schedule B): Support People in Treatment and Recovery; Connect People Who Need Help to the Help They Need (Connections to Care); Address the Needs of Criminal Justice Involved Persons.
5. Performance Outcomes to be achieved during the agreement period:
 - A. Hospital Partnership Initiative: Grantee will establish and maintain a hospital partnership initiative with local hospital and conduct intake of patients referred in for services.

- B. Law Enforcement Partnership Initiative: Grantee will establish partnership with local law enforcement to create a diversion plan for justice-involved individuals and conduct intake of individuals referred in for services.
- C. Warm Handoffs: Grantee will develop and train all staff on appropriate referrals procedures and refer clients to appropriate substance use treatment services.

6. Specific qualitative and quantitative evaluation methods that will be used to collect, analyze, and measure outputs and outcomes:

Targeted Outcomes	Measures	Total
Hospital Partnership Initiative	Establish partnership through engagement with local hospital	<ul style="list-style-type: none"> Complete one in-person training with hospital ER and social work teams Complete monthly check-in meetings with hospital partners
	Conduct intake of hospital submitted referrals	Receive at least 80 individual intakes from hospital diversion
Law Enforcement Partnership Initiative	Establish partnership through engagement with local law enforcement	Develop law enforcement training and deliver to three local enforcement agencies (County probation, County Sheriff, Santa Maria Police Department)
	Conduct intake of individuals diverted from justice system	Receive at least 50 individual intakes from law enforcement diversion
Warm Handoffs	Train all staff in warm handoff procedures	Develop warm handoff guide and deliver training to all staff
	Make routine warm handoffs and track in quality assurance database	At least 50% of clients connected to treatment, shelter and/or support services before leaving sobering center

Performance Outcomes must be reported quarterly to the CHD based on standard format requested by the CHD.

- C. Abide by proper Record Keeping requirements as defined in Exhibit A-1:
 - i. Grantee shall certify that all Opioid Funds expended by Grantee have been used in compliance with the National Opioid Settlement Agreements for the Allowable Expenditures and High Abatement Activities indicated above. Grantee shall attest to this on each invoice submitted, which must be signed by someone with authority to legally bind the grantee, or their designee as stated in Exhibit A-1. Attachment of Exhibit A-1 is required in grantee contracts.

 - iii. Claw Back Language: To ensure accountability, safeguarding of assets, and financial integrity, in the event of failure to meet reporting requirements or improper use of funds, a claw back provision requiring the reimbursement of funds to the Opioid Settlements funds will be enforced. This policy allows for the recovery of funds disbursed under conditions that have not been met.

CONTRACTOR'S indemnification obligation applies to COUNTY'S active as well as passive negligence but does not apply to COUNTY'S sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONTRACTOR has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease. ***(Not required if CONTRACTOR provides written verification that it has no employees)***
4. **Professional Liability:** (Errors and Omissions) Insurance appropriate to the CONTRACTOR'S profession, with limit no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used).
2. **Primary Coverage** – For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR'S obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
