Santa Ynez Valley Alcohol Licensing ABC Process

- Although the May 26, 2010 application is technically processed as a premises-to-premises transfer, the practical affect will be a new review of all licensing on the premises
- Conditions of operations which exist on current licenses will be re-opened by the ABC
- The application is treated by the ABC as a full facility license, which could potentially be constricted through the review and protest process

Santa Ynez Valley Alcohol Licensing Protest Process

- ❑ Must meet legal sufficiency requirements as detailed by ABC
- ❑ Protests should be submitted to the ABC by 6/28/10

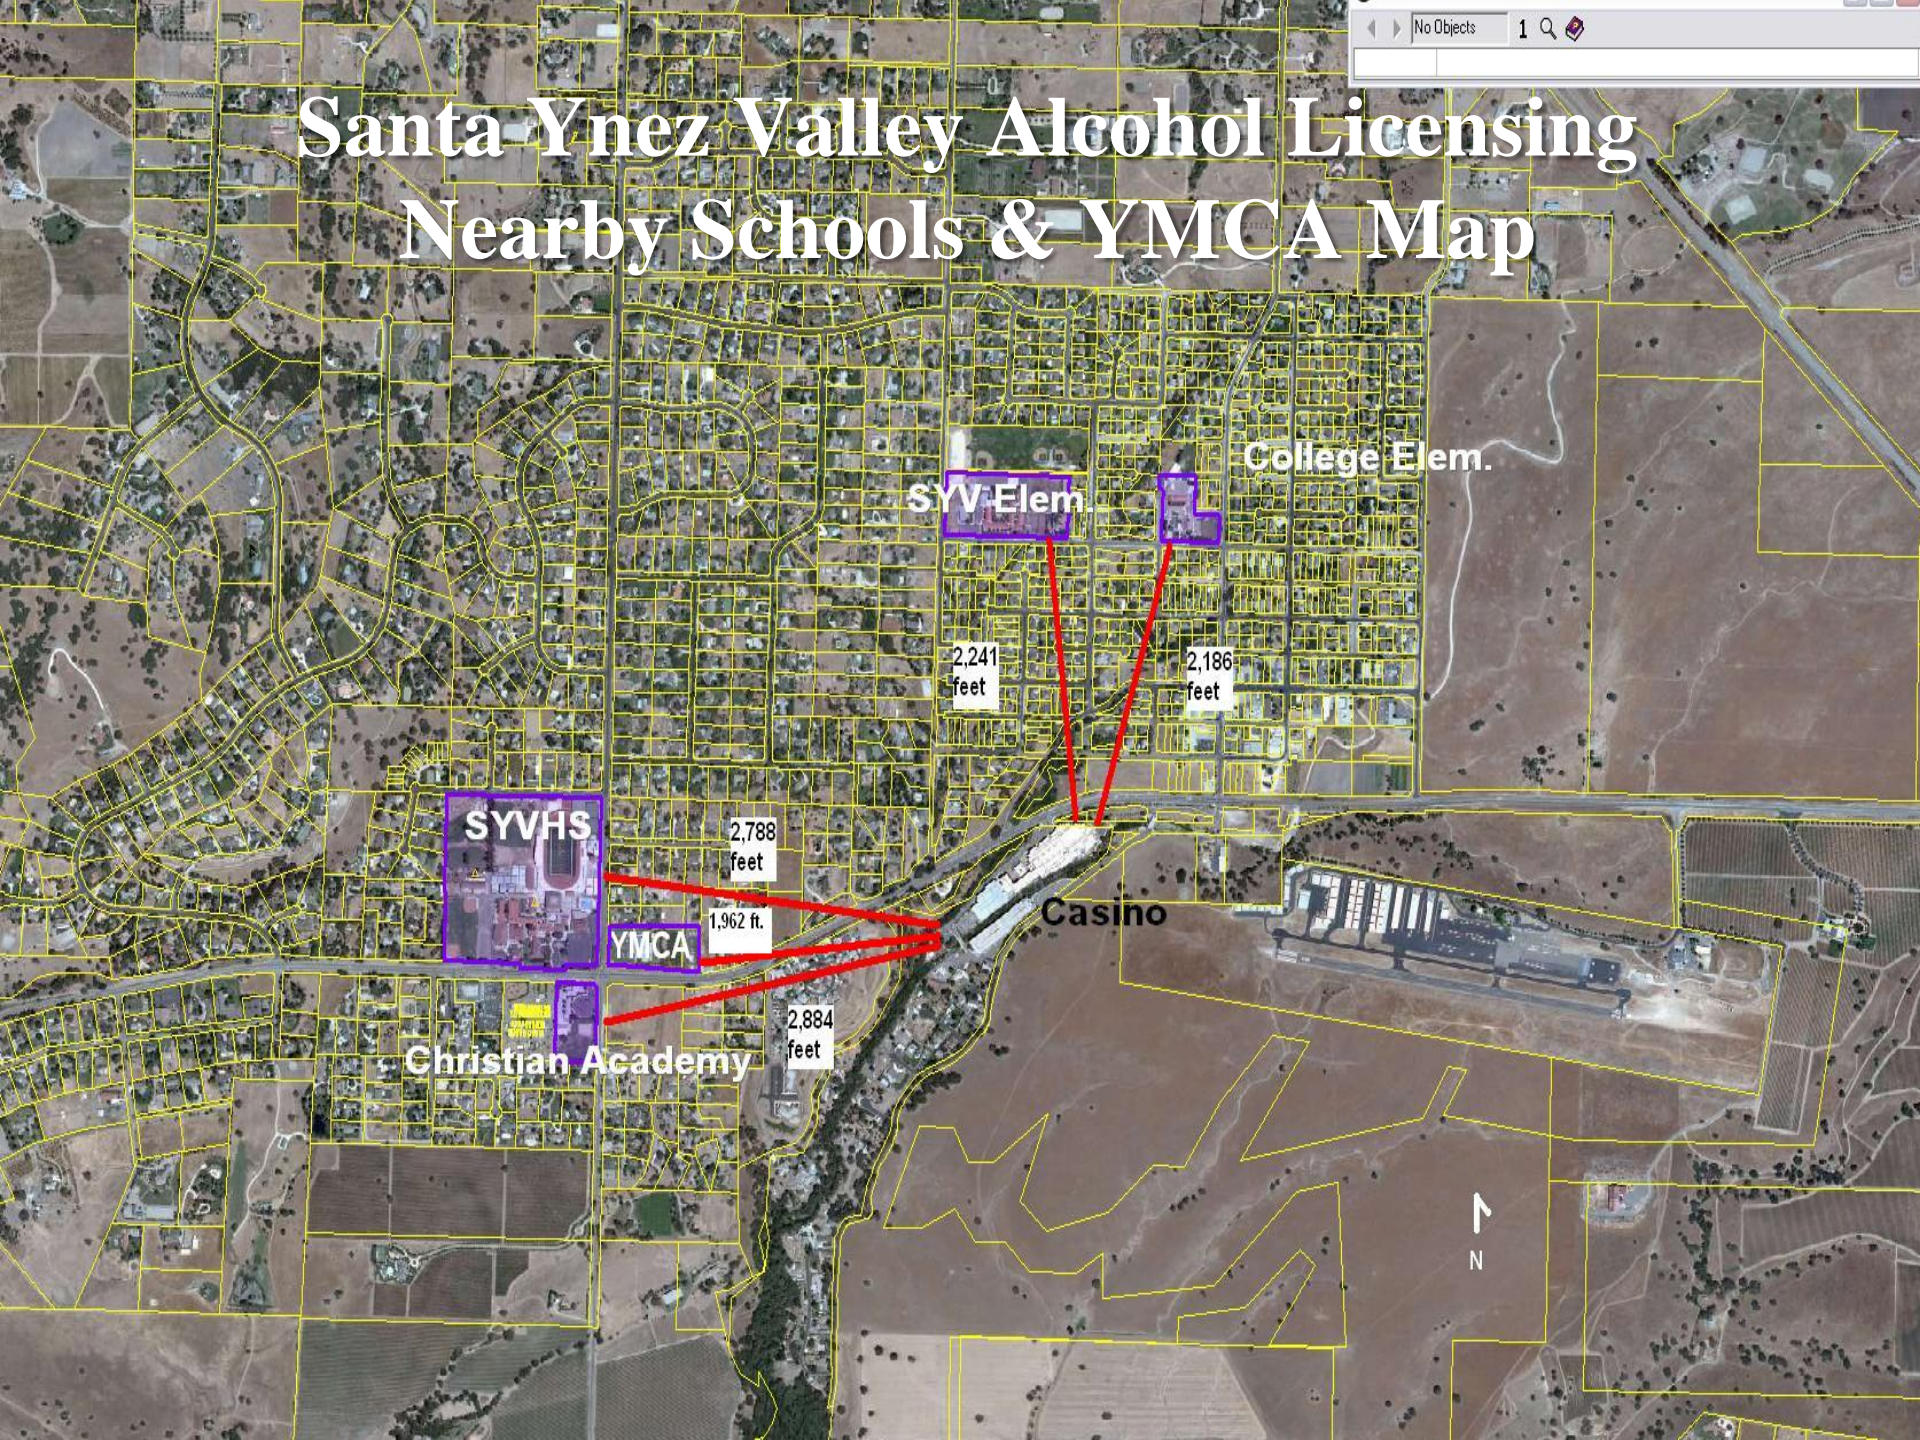

Santa Ynez Valley Alcohol Licensing Protest Process (cont.)

□ Grounds of protest include the following:

- The premises is located within the immediate vicinity of a school, church, hospital, or children's playground and the normal operation of the licenses premises would interfere with their functions
- Issuance of the license would result in or add to undue concentration of licenses
- Issuance of the license to the premises would create a law enforcement problem, or aggravate an existing police problem
