- b) Determine that the above action involves government funding mechanisms and/or fiscal activities and is not a project under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines section 15378(b)(4).

Summary Text:

This item is on the agenda for the Board of Supervisors to approve and authorize an agreement with the California Department of Food and Agriculture (CDFA) to receive reimbursement for the County's enforcement of the Certified Farmer's Market (CFM) Inspection Program. Through this agreement, the CDFA reimburses the Santa Barbara County Agricultural Commissioner's Office for the cost associated with the activities that ensure and maintain the quality and wholesomeness of the products offered for sale through the CFM program. It will also help ensure that sales are conducted without fraud,

deception, or misrepresentation. This is accomplished through market site inspections, production site inspections and producer and market investigations.

Background:

The Agricultural Commissioner’s Office has operated a CFM program for many years and this is the fifth year that the CDFA has made funds available for distribution to County Agricultural Commissioner’s Offices. It is anticipated that funding and reimbursement for our CFM enforcement activities will continue.
