**PROPOSITION 84  
INTEGRATED REGIONAL WATER MANAGEMENT  
SUBGRANT AGREEMENT**

**Between the Santa Barbara County Water Agency and the City of Guadalupe**

This Proposition 84 Integrated Regional Water Management Subgrant Agreement (“AGREEMENT”) is made this \_\_\_\_ day of \_\_\_\_\_, 2012, between the Santa Barbara County Water Agency (“AGENCY”) and the City of Guadalupe (“SUBGRANTEE”) (collectively “THE PARTIES”), regarding the approved grant funded project component known as the Recycled Water Feasibility Study (“THE PROJECT COMPONENT”).

**RECITALS**

1. The County of Santa Barbara and six other public agencies submitted a grant application to the California Department of Water Resources (DWR) for a Round 1 Proposition 84 IRWMP Implementation Grant for seven (7) water enhancement projects throughout Santa Barbara County, as specified in the IRWMP, to be carried out by various public agencies in Santa Barbara County with authority and responsibility for water facilities and programs;
2. DWR has approved the grant application of THE PARTIES, but requires that the grant agreement be entered into with a single eligible grant recipient, that is Santa Barbara County Water Agency;
3. AGENCY is an eligible grant recipient, and is willing to serve as the single grantee under the grant agreement with the California Department of Water Resources (DWR) and to enter into subgrant agreements with the other public agencies for state-approved project components in the IRWMP and grant application and to act with the assistance of a contractor, as the administrator of the grant, on the terms and conditions set forth herein;

June 2012

4. SUBGRANTEE has requested that AGENCY perform the function of grantee under the grant;
5. SUBGRANTEE wishes to carry out the approved grant project component known as the Recycled Water Feasibility Study and consents to implement THE PROJECT COMPONENT through this AGREEMENT with AGENCY.
6. SUBGRANTEE is willing and committed to meet all DWR requirements under the grant agreement for THE PROJECT COMPONENT, including providing matching funds or in-kind match activities, and will reimburse AGENCY for any administrative costs incurred by AGENCY or its contractors.

#### AGREEMENT

In consideration of the mutual promises herein and other good and valuable consideration, the receipt of which is hereby acknowledged,

IT IS MUTUALLY AGREED BY THE PARTIES THAT:

1. AGENCY shall act as grantee under the Proposition 84 Integrated Regional Water Management Grant Program and shall, as an eligible grant recipient, enter into the grant agreement with DWR to implement the approved PROJECT COMPONENT and to administer the applicable grant requirements. AGENCY may contract with third parties for the administrative services called for in the grant agreement.
2. Subject to DWR requirements and direction, AGENCY shall pay grant funds to SUBGRANTEE for work on THE PROJECT COMPONENT for activities completed in accordance with the terms of the grant agreement, upon receipt of grant funds for that work from the DWR.

June 2012

3. AGENCY shall timely submit to the DWR invoices, reports, and assurances received from SUBGRANTEE prepared to meet the accounting, reporting and other requirements in the grant agreement for THE PROJECT COMPONENT. SUBGRANTEE shall prepare and submit these documents in accordance with the terms of the grant agreement.

4. AGENCY, assisted by the administration consultant, shall maintain files and accounts for THE PROJECT COMPONENT in accordance with grant agreement.

5. a) SUBGRANTEE shall carry out, build and/or perform THE PROJECT COMPONENT in accordance with all requirements for THE PROJECT COMPONENT set forth in the grant agreement, attached hereto as Exhibit 1 and incorporated herein by this reference. SUBGRANTEE shall fulfill all assurances, declarations, representations and commitments made by SUBGRANTEE in support of SUBGRANTEE's request for grant funds. SUBGRANTEE agrees to all requirements and limitations of the grant agreement for THE PROJECT COMPONENT.

b) In the event SUBGRANTEE wishes to substantially alter the schedule, materials, methods or deliverables related to THE PROJECT COMPONENT, SUBGRANTEE shall immediately provide notice to AGENCY as set forth in the grant agreement. AGENCY shall timely forward SUBGRANTEE's request for alteration to the DWR for its consideration.

c) As AGENCY is acting as grantee under the grant agreement, SUBGRANTEE's questions and other communications related to the grant agreement or performance of work under the grant agreement shall be directed to the AGENCY's representatives for resolution with the DWR. AGENCY shall promptly relay SUBGRANTEE's questions and communications to the DWR.

June 2012

6. a) SUBGRANTEE shall pay or cause to be paid and provide all required grant matching funds or in-kind matching services for THE PROJECT COMPONENT, and shall provide all necessary environmental review and obtain all required permits for THE PROJECT COMPONENT.

b) AGENCY and SUBGRANTEE agree that the initial budget for THE PROJECT COMPONENT is:

<b>Proposition 84</b>	<b>Match</b>	<b>Total</b>
<b>\$71,428</b>	<b>\$10,644</b>	<b>\$82,072</b>

This budget may be adjusted in accordance with the grant agreement.

7. To the fullest extent permitted by law, SUBGRANTEE shall indemnify, defend, and hold the AGENCY, its officers, employees and agents, free and harmless from any and all claims, costs, damages, investigations, arbitrations, lawsuits, and expenses, including without limitation attorney fees, judgments, awards or liabilities arising out of this AGREEMENT or SUBGRANTEE's work on THE PROJECT COMPONENT.

8. There shall be paid by SUBGRANTEE to AGENCY to fund AGENCY's ongoing administrative services as grant administrator an amount as established in the MOU between AGENCY and SUBGRANTEE. AGENCY may utilize these monies to engage a contractor to assist in the performance of administrative services. Payments shall be made in installments. The first year's payment shall be made within 60 days of entering into this AGREEMENT. Thereafter, on or before December 1 of each fiscal year that it is carrying out THE PROJECT COMPONENT, SUBGRANTEE shall make payments to AGENCY as set forth in the signed MOU or on such other schedule acceptable to AGENCY to fund AGENCY's

June 2012

services for grant administration. SUBGRANTEE shall pay AGENCY additional amounts as billed by the AGENCY at applicable hourly rates for any additional costs of administrative services caused by delays of the SUBGRANTEE.

9. In Accordance with the "GRANTEE REPRESENTATIONS" provision of the grant agreement between the DWR and AGENCY, THE PARTIES agree that SUBGRANTEE shall be solely responsible for compliance with all applicable laws, policies and regulations in carrying out this AGREEMENT and THE PROJECT COMPONENT.

10. AGENCY shall use all funds it receives for THE PROJECT COMPONENT from the DWR under the grant agreement solely and exclusively for the purposes set out in this AGREEMENT for THE PROJECT COMPONENT; provided, however, that AGENCY shall not be responsible for any funds paid out as a result of error, fraud, forgery or misrepresentation.

11. AGENCY shall have no responsibility for maintenance of or insurance for THE PROJECT COMPONENT.

12. AGENCY is not acting as a surety. This AGREEMENT is not a performance, payment, completion or labor and materials bond. AGENCY does not guarantee or warrant that construction of THE PROJECT COMPONENT will proceed, be completed, or that the grant funds for THE PROJECT COMPONENT will be sufficient to meet incurred expenses. AGENCY does not guarantee or warrant the plans and specifications for THE PROJECT COMPONENT. AGENCY does not guarantee or warrant any estimated construction costs or budget set forth in either the grant application or grant agreement. AGENCY shall have no responsibility for any aspect of bidding and selection of contractors and subcontractors to perform any aspect of the work of THE PROJECT COMPONENT under this AGREEMENT. Instead, AGENCY is only acting as a conduit: 1) for transfer of grant funds to

June 2012

SUBGRANTEE for THE PROJECT COMPONENT in furtherance of the grant agreement and 2) for the transmission of invoices, reports, financial information and state disclosure assurances and other information required by the grant agreement to be transmitted from the SUBGRANTEE to the DWR.

13. a) AGENCY does not guarantee or warrant that it will pay any invoice submitted by SUBGRANTEE until funds for approved invoices have actually been transmitted by the DWR to AGENCY. AGENCY assumes no liability to any entity, including but not limited to, SUBGRANTEE, and any contractors and subcontractors on THE PROJECT COMPONENT for any delays by the DWR in approval or transmittal of grant funds to the AGENCY.

b) SUBGRANTEE agrees that it shall return any audit disallowance related to THE PROJECT COMPONENT, as provided in the grant agreement to the AGENCY for transmission to the DWR.

14. THE PARTIES agree that if SUBGRANTEE abandons carrying out THE PROJECT COMPONENT or fails to cure any breach of this AGREEMENT within 30 days of receipt of Notice of Breach from AGENCY, then AGENCY may, in its sole discretion serve written notice to SUBGRANTEE that AGENCY intends to terminate this AGREEMENT due to SUBGRANTEE's breach in 30 days and, if the breach is not timely and reasonably cured, terminate this AGREEMENT.

15. It is agreed by THE PARTIES that if any applicable federal or state budget act of the current year and/or any subsequent years does not appropriate sufficient funds for the grant, then this AGREEMENT shall be suspended until such time as funding is appropriated. Agreement shall terminate if the grant agreement is canceled by the DWR. In this event, except for those funds already received from DWR and approved for payment for work on THE

June 2012

PROJECT COMPONENT, AGENCY shall have no liability to transmit any funds for work on THE PROJECT COMPONENT to SUBGRANTEE. SUBGRANTEE agrees to indemnify and defend and hold AGENCY harmless from any claims asserted against AGENCY by any entity in the event that the applicable federal or state budget act does not appropriate sufficient fund for THE PROJECT COMPONENT.

16. AGENCY shall not be responsible for securing insurance protection against loss or damage to THE PROJECT COMPONENT or any pre-purchased materials for said PROJECT COMPONENT, including but not limited to losses due to the following: fire, earthquake, vandalism and theft. Neither is AGENCY liable for any loss or damage resulting from the failure to secure any such insurance. As a minimum, SUBGRANTEE shall provide all insurance coverages as required for THE PROJECT COMPONENT in the grant agreement.

17. Upon completion of construction or performance of THE PROJECT COMPONENT or termination of this AGREEMENT, AGENCY shall: 1) disburse to SUBGRANTEE any remaining sums of money in the account approved by the DWR for payment to SUBGRANTEE, which have not already been disbursed by AGENCY to SUBGRANTEE, and 2) distribute pro rata refunds to SUBGRANTEE of unexpended administrative cost contributions.

18. SUBGRANTEE shall proceed with all reasonable diligence in: (i) the commencement and completion of THE PROJECT COMPONENT; (ii) submission of written reports, financial information, insurance, bonds, and assurances required by the grant agreement for THE PROJECT COMPONENT; and (iii) submittal of requests for payment fully compliant with the grant agreement, and accompanied by written verification certified under penalty of

June 2012

perjury that the request for payment is truthful and accurate and the described costs have all been incurred solely for THE PROJECT COMPONENT.

19. AGENCY shall not be obligated to recognize any assignment of this AGREEMENT by SUBGRANTEE to any third party, except as agreed to in writing by the AGENCY and SUBGRANTEE.

20. Should any provision of this AGREEMENT be found invalid, such invalidity shall not, in any way, affect the remaining provisions of this AGREEMENT.

21. This AGREEMENT is only for the benefit of THE PARTIES and not for the benefit of any third party, other than the DWR.

22. The signature of SUBGRANTEE's General Manager or Project Manager on the requests for payment to AGENCY submitted by SUBGRANTEE shall conclusively and finally establish the right of AGENCY to draw checks as so requested, subject to AGENCY's performance of its responsibilities as grantee pursuant to the grant agreement, and subject to the DWR's transmittal of grant monies to AGENCY for THE PROJECT COMPONENT. Changes to authorized signatures shall be accomplished by written notice from SUBGRANTEE to AGENCY.

23. Nothing in this AGREEMENT shall create any contractual relationship between any contractor, subcontractor, or consultants of SUBGRANTEE and AGENCY. SUBGRANTEE agrees to be fully responsible to AGENCY for the acts and omissions of its contractors, subcontractors, consultants and persons either directly or indirectly employed by them as it is for the acts and omissions of persons directly employed by SUBGRANTEE. SUBGRANTEE's obligation to pay its contractors, subcontractors, and consultants is

June 2012

independent of the obligation of the DWR to transmit monies to AGENCY. AGENCY has no obligation to transmit monies to any contractor, subcontractor, or consultant of SUBGRANTEE.

24. SUBGRANTEE agrees that, at SUBGRANTEE's sole expense, SUBGRANTEE shall ensure that the AGENCY, including its board, officers, consultants, employees, agents and volunteers, shall be named as additional insured, and insured in the same amount as SUBGRANTEE, on all insurance policies which SUBGRANTEE is required to obtain pursuant to the grant agreement. SUBGRANTEE agrees to provide AGENCY with written documentation that it has been so named as an additional insured on all insurance policies which SUBGRANTEE is required to obtain pursuant to the grant agreement.

25. The term of the AGREEMENT shall be the same as, and coincide with, the term of the grant agreement, incorporated herein by this reference as though fully set forth.

26. This AGREEMENT shall terminate upon the earlier of: (i) written notice from the DWR to AGENCY and SUBGRANTEE of insufficient appropriations and cancellation of the grant agreements; (ii) AGENCY's disbursement of all funds for THE PROJECT COMPONENT pursuant to this AGREEMENT by October 15, 2015, plus 15 years; or (iii) termination of the AGREEMENT by AGENCY due to breach as set forth in Paragraph 14.

27. (a.) For a period of five (5) years after completion of THE PROJECT COMPONENT or as otherwise required by the grant agreement, AGENCY shall retain a copy of records of: (i) AGENCY deposits into, and disbursements from, accounts for THE PROJECT COMPONENT; (ii) requests for payment received from SUBGRANTEE; and (iii) AGENCY inspection of SUBGRANTEE requests for payment on THE PROJECT COMPONENT. Upon prior written request from the DWR or SUBGRANTEE, AGENCY shall provide the DWR or

June 2012

SUBGRANTEE reasonable access to inspect such records on AGENCY premises during normal business hours.

27. (b.) For a period of ten (10) years after completion of THE PROJECT COMPONENT, SUBGRANTEE shall maintain copies of all financial records related to THE PROJECT COMPONENT, shall make those records available to AGENCY upon request, and shall provide reports and/or operational data upon request of AGENCY for the purpose of reporting to DWR or other data collection purposes.

28. Each of THE PARTIES represents and warrants that each person signing this AGREEMENT on behalf of any of THE PARTIES, has legal authority to sign this AGREEMENT, and bind that party.

29. Notice pursuant to this AGREEMENT shall be sent by United States Mail and by facsimile transmission to the following representatives for THE PARTIES.

SUBGRANTEE:

City of Guadalupe  
918 Obispo Street  
Guadalupe, CA 93434

AGENCY:

Santa Barbara County Water Agency  
123 East Anapamu Street  
Santa Barbara, CA 93101  
Attn: Scott D. McGolpin

THE PARTIES may change representatives upon written notice to the other party.

30. This AGREEMENT is entered into, and shall be construed and interpreted in accordance with the laws of the State of California.

31. This AGREEMENT has been negotiated between THE PARTIES and reviewed by their respective Counsel, and shall not be construed against any Party as the drafting party.

June 2012

32. This AGREEMENT will be considered binding and effective when it has been fully executed by THE PARTIES. This AGREEMENT may be executed in counterpart originals, with all counterparts taken as a whole constituting the complete AGREEMENT. Wherefore, having read the foregoing and having understood and agreed to the terms of this AGREEMENT, THE PARTIES voluntarily affix their signatures below.

EXHIBIT 1

THE PROJECT COMPONENT

The goal of the City of Guadalupe's (City) Recycled Water Feasibility Study is to determine the feasibility of increasing the supply of recycled water by upgrading the existing WWTP to tertiary treatment and expanding distribution facilities to serve additional customers within and adjacent to the City.

Recycled Water Feasibility Study is a stand-alone project that is required for the City to make judicious, sound, and reasoned decisions about tertiary upgrades, the scope of work, and costs associated with upgrades and the operations and maintenance. If the Study justifies the increased use of reclaimed water, then there would likely be a subsequent multi-phased infrastructure project for the treatment and distribution of reclaimed water to City customers and potentially to customers beyond the City's limits.

Recycled Water Feasibility Study will include a market assessment, the identification of required recycled water distribution facilities, and a cost-benefit analysis to evaluate the feasibility of supplying recycled water to the City of Guadalupe and surrounding property owners. The market assessment will identify potential recycled water customers, both within and adjacent to the city boundaries, and match recycled water supply to potential demand.

Once reuse categories are prioritized and sets of potential customers are identified, distribution system alternatives will be explored to maximize recycled water use with the lowest capital and operations and maintenance costs. The economics of recycled water distribution systems are such that larger demands will dictate the alignments of the backbone pipeline routes. After alternative alignments are identified for up to three different customer sets, the required pipelines, pump stations, and storage reservoirs will be sited. Facilities will be sized using a hydraulic computer model analyzed under peak-flow conditions. The study will also discuss the feasibility, limitations, and potential water quality impacts of groundwater recharge, and then compare the potential benefits with the delivery of recycled water to existing potable water customers.

As a result of the feasibility study, the City may decide to upgrade the WWTP from advanced secondary treatment to tertiary treatment to deliver Title 22 recycled water, directly offsetting the use of groundwater.
