Summary Text:

A request was received from the Goleta Union School District and Hollister Elementary School requesting a bus loading zone and the elimination of a passenger loading zone on Anita Lane. Public Works staff reviewed the area and the Department recommends establishing a no parking zone (7:30 a.m. to 3:30 p.m. school days only) to create a school bus loading zone and eliminating a passenger loading zone (7:00 a.m. to 3:30 p.m. school days only). The Department also recommends eliminating a no parking zone to provide additional curb parking and establishing a no parking zone to provide sight distance for a crosswalk on the east leg of Anita Lane at Burtis Street. Attached are the following resolutions:

Background:

Parking restrictions are either established or rescinded based on safety, necessity and how it relates to the use by the community as a whole. All of these factors are weighed by the Public Works Department and any changes recommended are presented to the Board of Supervisors for approval. These parking restrictions may include no parking, time limited parking, loading zones, vehicle height restricted parking, angle parking, handicapped parking or any combination of these restrictions. These changes are being recommended to accommodate Hollister Elementary School requests.
