Item A11 San Ysidro Roundabout funding

Dear Supervisors,

In your consideration of this item, please consider that a proposed roundabout to mitigate today's congestion may not be needed when the planned widening of 101 and a southbound Cabrillo freeway entrance are in operation. Can not the Board of Supervisors wait and see. i\$400,000 is a lot of money to spend on plans for a project that many see is not necessary. Is not the semi rural charm of Montecito worth a minute longer commute?
