Exhibit I Final Design Acceptance Certificate  
for Phase I

**Exhibit I**

**Phase I: Final Detailed Design Acceptance Certificate**

**Customer: County of Santa Barbara**

**Project Name: County of Santa Barbara Public Safety Radio Network Upgrade**

**FINAL DETAILED DESIGN ACCEPTANCE:**

This Final Detailed Design Review Acceptance Certificate memorializes the occurrence of Final Detailed Design Review including associated deliverables specified as part of the Agreement. Signature of this document authorizes CONTRACTOR to proceed to the next phases of the Project including Phase 2A: Site Readiness and Phase 2B: Equipment Staging. Any open issues shall be recorded as punch list items on the following page and resolved prior to Phase 3A: Installation and Verification, or as otherwise mutually agreed-upon by written agreement.

CONTRACTOR and the COUNTY acknowledge that:

- The Final Detailed Design Review has been successfully completed.
  
- The Final Detailed Design Review has been conditionally accepted, subject to the punch list items listed on the following page.
