Personal cultivation, for personal use, permitted in any dwelling or accessory structure.

State vs County EIR Objectives

3

- **State of California PEIR Pg ES-2- “Goals and Objectives**
- ***“The overarching goal of the proposed program that would ensure that commercial cannabis cultivation activities would be performed in a manner that protects the health & safety of the general public, cannabis cultivation workers, and the environment from the individual & cumulative effects of these operations”.***
- **County of Santa Barbara FEIR pg 2-32: Project Objectives:**
- ***“1. Develop a robust and economically viable legal cannabis industry to ensure production and availability of high quality cannabis products to help meet local demands and, as a public benefit, improve the County’s tax base”***
