**RE: Dual Special Needs Plan (D-SNP) Readiness Grant Funding Award Notice**

Dear Ms. Hurtado:

CenCal Health is pleased to make available D-SNP Readiness Grant funds to support operational readiness activities for CenCal CareConnect providers.

We are pleased to inform you that your organization's D-SNP Readiness Grant application has been approved for funding. CenCal Health has allocated a total award amount of \$90,000 in grant funding to the Santa Barbara Public Health Department.

Issuance of funding is contingent upon execution of a Funding Agreement (Agreement), which will be sent shortly. Once received, please sign the Agreement at your earliest convenience. Once the Agreement is fully executed by both parties, payment will be issued within 30 days thereafter.

CenCal Health requests that applicants refrain from issuing any press releases or public announcements regarding an award of funding until a legal agreement has been fully executed. Additionally, any use of CenCal Health's name and logo, including for press releases and public announcements, requires prior written approval from CenCal Health.

CenCal Health is thrilled to partner with Santa Barbara Public Health Department to provide excellent care and services to CenCal CareConnect members.

Sincerely,
