Clerk of the Board of Supervisors  
105 E. Anapamu Street, Suite 407  
Santa Barbara, CA 93101  
(805) 568-2240

**Agenda Number:**  
**Prepared on:** 7/28/2004  
**Department Name:** Public Works  
**Department No.:** 054  
**Agenda Date:** 8/3/2004  
**Placement:** Administrative  
**Estimate Time:**  
**Continued Item:** NO  
**If Yes, date from:**

---

**TO:** Board of Supervisors

**FROM:** Phillip M. Demery, Director  
Public Works

**STAFF**

**CONTACT:** Eric Pearson, Construction Section Manager  
681-5686

**SUBJECT:** Construction of Intersection Traffic Signal and Street Lighting Improvements at the Intersection of Hollister Avenue and Turnpike Road Near the City of Goleta, CA in the Second Supervisorial District. Santa Barbara County Project No. 210093

---

**Recommendation(s):**

That the Board of Supervisors:

- A. Accept Notice of Completion for work performed by the Contractor, Lash Construction, Inc. (A Local Vendor), P. O. Box 4640, Santa Barbara, CA 93140, and authorize Clerk to record.
- B. Review and approve the Statement of Final Quantities for work performed and materials supplied for this project by the Contractor, in the amount of \$250,250.89.

**Alignment with Board Strategic Plan:**

The recommendations are primarily aligned with Goal No. 1, An Efficient Government Able to Anticipate and Respond Effectively to the Needs of the Community.

**Executive Summary and Discussion:**

The project replaced the existing traffic signal and highway lighting system. In addition the project consisted of roadway and median modifications to construct two new left turn pockets (southbound Turnpike Road and eastbound Hollister Avenue) and upgraded the pedestrian ramps at all four corners. The project replaced the existing antiquated traffic signal to bring the entire intersection up to State Standards and ensure public safety. The new signal also has video detection. The added left turn pockets provide a dual turn pocket configuration, which allows more traffic to get thru the intersection within the same time to reduce congestion at the intersection.

The Director of Public Works accepted this project as complete on April 2, 2004. The project was completed on time and on budget.

**Fiscal and Facilities Impacts:**

The County's Measure "D" revenues in Department Budget 054/02/05, Account 7511, Program 2900, and Organization Unit 0002 provided funding for this project.

**Mandates and Service Levels:**

No change in programs or service levels.

**Concurrence:**

None Required

**Attachments:**

Two (2) Notice of Completion Forms  
Statement of Final Quantities
