## Recommendation(s):

That the Board of Supervisors:

- a. Sign the attached support resolution authorizing the Chief Probation Officer, as your agent, to join in San Diego County Probation Department's grant application to the California Office of Traffic Safety in the amount of \$106,404 for the period covering January 1, 2006, to and including December 31, 2007, for the purpose of reducing repeat offenses for Driving Under the Influence.

## Alignment with Board Strategic Plan:

The recommendation(s) are primarily aligned with Goal No. 2: Ensure the Public Health and Safety and Provide Essential Infrastructure, and Goal No. 5: Maintain and Enhance the Quality of Life for all Residents.

## Executive Summary and Discussion:

The California Office of Traffic Safety (CAOTS) distributes federal funding apportioned to California under the National Highway Safety Act and the Transportation Equity Act for the 21<sup>st</sup> Century (TEA-21). The CAOTS wants Probation Departments statewide to participate in a multidisciplinary effort to reduce repeat Driving Under the Influence (DUI) offenses. The CAOTS and the Chief Probation Officers of California determined that a single statewide grant would serve the interests of all parties. The San Diego County Probation Department has agreed to prepare, submit and serve as the administrator of the grant.

The CAOTS makes grants available to mitigate traffic safety program deficiencies, expand ongoing activities or develop new programs. Santa Barbara County Probation Department proposes to improve overall safety in the County through a combination of media and enforcement efforts. Enforcement activities will include locating DUI convicted absconders, conducting surveillance and apprehension of unlicensed felony DUI probationers who drive, and participating with local law enforcement in DUI sobriety checkpoints. The search for individuals on warrant status will be further strengthened through collaboration with local law enforcement.

**Mandates and Service Levels:**

The Probation Department is mandated to supervise cases referred by the Court, including DUI offenders. This funding will allow us to enhance the current level of service. Statutory mandates governing Probation Department services are attached for your review.

**Fiscal and Facilities Impacts:**

CAOTS will provide \$106,404 in grant funding to the Santa Barbara County Probation Department. CAOTS has no match financing requirement and does not cause the County General Fund contribution to increase during the full grant period covering FY 05-06 (6 months), FY 06-07, and FY 07-08 (6 months).
