Recommended Actions:

That the Board of Supervisors:

- A. Approve and authorize the Director of the Department of Behavioral Wellness or designee to execute a Student Support Agreement with the **Regents of the University of California** for student learning experiences at the Department of Behavioral Wellness from the date executed by the County through December 31, 2027 (Attachment A);
- B. Approve and authorize the Director of the Department of Behavioral Wellness or designee to make immaterial amendments to the Student Support Agreement in accordance with the immaterial amendments provision of the Student Support Agreement, upon review and concurrence by County Counsel's Office through December 31, 2027; and
- C. Determine that the above actions are organizational or administrative activities of the government that will not result in direct or indirect physical changes in the environment and are therefore not projects under the California Environmental Quality Act (CEQA) pursuant to section 15378(b)(5) of the CEQA Guidelines.

Summary Text:

This item is on the agenda for the Board of Supervisors (Board) to approve and authorize the Behavioral Wellness (BWell) Director or designee to execute a Student Support Agreement with the Regents of the University of California for University of California, Santa Barbara (UCSB) student learning experiences at the Department of Behavioral Wellness from the date executed by the County

through December 31, 2027. In addition, this item seeks delegation of authority to the BWell Director or designee to make immaterial amendments to the Student Support Agreement in accordance with the Subsection R (Immaterial Amendments) of Section III (General Provisions) of the Student Support Agreement, upon review and concurrence by County Counsel's Office through December 31, 2027.

Background:

BWell operates several children and adult mental health clinics, a Psychiatric Hospital Facility, and a Crisis Stabilization Unit throughout Santa Barbara County that require a wide range of licensed mental health and alcohol and drug professionals. Various educational institutions, as part as their accredited mental health and alcohol and drug programs, require students to participate in off-site practicum SSA experience programs for course credit as part of their curriculum to become licensed mental health and alcohol and drug professionals.

With the severe staffing shortages across the nation in the field of Mental Health and Alcohol and Drug Services, the SSA programs provide a mutual benefit to UCSB, its students, and the County. It provides County the opportunity to connect students and graduates to the services and professions available at the County. These programs also provide the opportunity for students to engage in volunteer internships, use County facilities, and obtain clinical experience under supervision by licensed or certified practitioners.

Through the Psychologist Services Student Learning Experience, UCSB students will have a clinical experience where they gain the attitudes, knowledge, and skills to demonstrate competency as a psychologist in an environment that is respectful of others, adaptive to change, and accountable for outcomes. Examples of student activities under the supervision of a staff psychologist with client permission may include observing activities and procedures administered by licensed staff and health care providers with client permission, such as group sessions, intake interviews, case management, and treatment planning; providing psychological evaluations, mental health screenings, and consultation to individuals referred for assessment; and composing progress notes under the direct supervision of the supervising psychologist.

Fiscal and Facilities Impacts:

There are no fiscal or facilities impacts associated with this action as it is purely administrative in nature.

Key Contract Risks:

UCSB and County agree to mutual indemnification and both recognize and accept the other party is self-insured. In exchange for permission to participate in UCSB's Program with the County, students will sign a Waiver and Release Agreement discharging the County from and against any and all liability arising out of or connected in any way with participation in the Program. UCSB also requires students to sign a UC Waiver of Liability, Assumption of Risk, & Indemnity Agreement.

Staffing Impacts:

There are no staffing impacts associated with this action.

Special Instructions:

Please return one (1) Minute Order to Bethany Le at bethle@sbcbswell.org and to the BWell Contracts Division at bwelcontractsstaff@sbcbswell.org.
