

NOTICE OF EXEMPTION

TO: Santa Barbara County Clerk of the Board of Supervisors

FROM: Public Health Department/Environmental Health Services Division
Public Works Department/Resource Recovery and Waste Management

The project or activity identified below is determined to be exempt from further environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as defined in the State and County Guidelines for the implementation of CEQA.

APN(s) : Not Applicable Case No.: Not Applicable

Location: Mission Canyon Sewer District, Mission Canyon area, unincorporated Santa Barbara County.
(Include street address and cross street (if urbanized area) or attach specific location map)

Project Title: County Service Area 12 (Mission Canyon Sewer District), Resolution Relative to Septic Management Administration Charges on the Tax Roll - First Supervisorial District.

Project Description: Adoption of a resolution establishing the septic system management charges for County Service Area 12 (Mission Canyon Sewer District) and provision for collection on the Tax Rolls for Fiscal Year 2007/2008.
(Include nature, purpose, and beneficiaries of project)

Name of Public Agency Approving Project: County of Santa Barbara

Name of Person or Agency Carrying Out Project: Public Health Department/Environmental Health Services Division and Public Works Department/Resource Recovery and Waste Management

Exempt Status: (Check one)

- Ministerial
- Statutory Exemption
- Categorical Exemption
- Emergency Project
- Declared Emergency

Cite specific CEQA and/or CEQA Guideline Section: CEQA Guideline Section 15273. (a) (1), (2), (4) Rate, Tolls, Fares, and Charges.

Reasons to support exemption findings (attach additional material, if necessary)

CEQA does not apply to the establishment, modification, structuring, restructuring, or approval of rates, tolls, fares, or other charges by public agencies which the public agency finds are for the purpose of meeting operating expenses, purchasing or leasing of supplies, equipment or material, or obtaining funds for capital projects, necessary to maintain service within existing service areas. The proposed project would provide for a change in rates to maintain existing service levels for septic system management. No new capital improvements that would expand existing service levels would be funded by the modification of the rates.

Lead Agency Contact Person: Mark A. Schleich, Deputy Director (805) 882-3600
Rick Merrifield, Director (805) 681-4900

Department/Division Representative: , Env. Planner Date: February 5, 2007

Acceptance Date: _____

Note: A copy of this form must be posted at P&D 6 days prior to a decision on the project. Upon project approval, this form must be filed with the County Clerk of the Board and posted by the Clerk of the Board for a period of 30 days to begin a 35 day statute of limitations on legal challenges.

Date Filed by County Clerk
