Gina ~

It is my understanding via Teresa Castro, staff member for the Central Board of Architectural Review that I need to officially resign from CBAR by contacting you. As of member of CBAR I served on the board since 2006 and enjoyed the experience working with the community, fellow members and County staff. Last Friday was my final meeting serving on CBAR.

Please let me know if there is anything further I need to do to fulfill my resignation of serving on CBAR.
Thank you,
Robin Brady
