## Recommended Actions:

That the Board of Supervisors:

- a) Approve the attached <u>Notice of Exemption</u> pursuant to the California Environmental Quality Act (CEQA) guidelines (Post); and
- b) Approve and authorize the chair to execute the remaining two (2) year contract for janitorial services with Service Master of Santa Barbara, a local vendor.

# **Summary Text:**

The County has contracted with Service Master of Santa Barbara since September 1, 2005 to provide janitorial services in the downtown Santa Barbara area facilities and the company has proven during this time they are able to fulfill the tasks required.

## **Background:**

In 2005, this contract was put out for competitive bid and awarded to Service Master of Santa Barbara to provide janitorial services to the Santa Barbara County Facilities for a period of three (3) years with two (2) two year extensions. During this time, Service Master of Santa Barbara had adequately fulfilled the requirements of the Agreement. Therefore, General Services is recommending that the remaining two (2) year contract be approved as set forth in the Agreement. This contract will provide janitorial services to the Santa Barbara County downtown Facilities for a period of two (2) years to begin July 1, 2011 and end June 30, 2013.

Contractor has also agreed to the additional requirements of the Pollution Prevention Practices as described in Exhibit E to ensure all County facilities are in compliance with the Storm Water Management Program.

The requested action of the Board is exempt from CEQA review. The acquisition of services related to the operation or maintenance of government facilities is exempt from CEQA review per CEQA Guidelines §15378 (b)2:

- (b) Project does not include:
  - 2) Continuing administrative or maintenance activities, such as purchases for supplies, personnel-related actions, general policy and procedure making (except as they are applied to specific instances covered above).
