Introduction

Crew Protection Enterprises Inc. ("Crew Protection") is proud to present this general security plan to guide operations for One 805 Live! 2026, ensuring the safety of all participants, staff, assets, and the surrounding community. This plan reflects our commitment to proactive risk mitigation, collaborative coordination with local agencies, and top-tier security management.

Our planning approach considers reasonable foreseeabilities, recognizing that certain risks—including crowd surges, active assailant scenarios, or weather-related disruptions—require contingency planning and swift mitigation responses.

Security Philosophy and Overview

Crew Protection's security strategy is built on over 30 years of field-tested experience, particularly in high-profile productions and events. Our personnel are trained in de-escalation, emergency response, credential screening, and customer service.

Security operations are tailored to:

- Enhance guest experience through safety
- Deter and respond to threats with professionalism
- Ensure compliance with event-specific policies and regulations
- Work in harmony with the overall One 805 Live! management team and public safety agencies such as the Santa Barbara County Sheriff Department and Fire/EMS teams

Operational Command Structure

General Security Operations

A. Security Deployment

- Guard assignments based on event layout and risk zones
- Credential checks and access control at all secure points
- Visible deterrence via roaming and fixed posts
- Off-site parking lot patrol

B. Security Protocols

- Incident documentation and reporting (DARs)
- Lost & found and lost children support
- Response escalation protocol

C. Entry Screening

- Bag checks, non-invasive screenings using handheld metal detecting wands
- Prohibited items enforcement
- Staff and vendor check-ins with credential validation

D. Emergency Procedures

- Evacuation support (weather, fire, security threat)
- Active assailant drills (run-hide-fight messaging)
- Maintain clear emergency lanes and paths

E. Talent & Crew Protection

- Secure entry points for cast/crew
- Escort services to/from vehicles or backstage areas
- Artist security coordination with personal teams

F. Alcohol Compliance

- Monitor over-service
- ID checks and wristbands
- Partner with beverage vendors to ensure ABC compliance

Public Safety Messaging

Scripts to be used via PA system or social media in partnership with client:

Earthquake

"Attention please: We are experiencing an earthquake. Drop low and protect your head and neck. Stay clear of the stage, lighting, and any structures. Wait for further instructions."

(Post-shaking / if evacuation needed)

"Attention please: The shaking has stopped. Please remain calm and move carefully away from structures to the designated assembly area. Watch your footing and follow staff directions."

Fire Evacuation

"Attention please: An emergency has been reported. Please remain calm and move away from the area immediately. Proceed to the nearest exit or open pathway and head to the designated assembly area. Follow staff instructions."

Active Shooter

"Attention please: There is a security threat. If you can safely leave the area, move away immediately toward the nearest exit or open space. If you cannot leave, get low, take cover behind solid objects, and remain quiet. Follow law enforcement instructions."

Prohibited Items List

PROHIBITED:

All forms of smoking are strictly prohibited (including but not limited to cigarettes, e-cigs & vapes)

- *Outside food or drink (exception for documented medical needs, must have a doctor's note with matching ID)*
- *Cans, coolers, bottles, glass containers, CamelBaks / bladders*
- *Drugs and drug paraphernalia*
- *Professional photo/video cameras or audio recording devices*
- *Skateboards, motorized vehicles, bicycles*
- *Footballs, Baseball, Frisbees or Playing Catch*
- *Colors or badges*
- *Drones*
- *Umbrellas (parasols ok)*
- *Weapons or firearms, including pocketknives*
- *Fireworks or explosives*
- *Laser pointers or selfie sticks*
- *Stickers, flyers, solicitations*
- *Pets (guide/service dogs OK)*
- *Anything determined to be dangerous or a view obstruction at the discretion of event staff.*

NO BAGS

For safety and speed of entry, a No Bags policy is enforced.

Guests may bring a small handheld purse or clutch – maximum size is 10" x 7" x 2" (about the size of a small hard-cover book).

Service Animal Policy

To ensure the safety and enjoyment of all attendees, the following policy regarding animals is in effect for this event:

- *No pets or animals of any kind are permitted on event grounds.*
- *Only service animals as defined by the Americans with Disabilities Act (ADA) are allowed.*
- *A service animal is a dog that is individually trained to do work or perform tasks for a person with a disability.*
- *Emotional support animals, comfort animals, and therapy animals are not considered service animals under the ADA and are not permitted.*

Event staff may ask the following two questions to determine if a dog is a service animal:

- *Is the animal required because of a disability?*
- *What work or task has the animal been trained to perform?*

Service animals must be under control at all times and must remain on a leash or harness unless doing so interferes with their work. The handler is responsible for cleaning up after the animal.

Failure to comply with this policy may result in removal from the event grounds.

Service Animal Behavior & Responsibility

- *The service animal must be under control at all times (leashed, harnessed, or tethered, unless such devices interfere with its work).*
- *The handler is responsible for the care, supervision, and cleanup of the service animal.*
- *If the animal is disruptive, aggressive, not housebroken, or not under control, it may be removed from the premises.*

RE: One805 Live!

April 16, 2026

Dear Special Events Coordinator:

As the applicant(s) for the One805 Live!, taking place on September 25 and 26, 2026, we agree as follows:

1. We consent to admit at any time during the event, in the course of their duties, any peace officer, or officer or employee of the County or fire district.
2. We affirm that, within 72 hours after the conclusion of the outdoor festival we will clean up the premises and remove all trash, debris, and any chemical toilets. We will send photographs to demonstrate that the property has been returned to its original condition and understand that the \$5,000 deposit will be returned once clean-up is confirmed.
3. We agree that we will reimburse all owners and occupants of property adjoining the event premises for damages of any kind caused by the applicant, owner, or any person attending the outdoor festival. This applies to damage that would not have occurred had the outdoor festival not been held. We will provide an accompanying certificate of insurance (COI) of at least \$100,000 (or alternatively provide a cash deposit of the same amount, which would be refunded after the event).
4. We agree to promptly notify the Special Events Coordinator of any changes to the information in the application or accompanying documents after the license is issued.
5. We affirm that we have reviewed [County Ordinance Chapter 6 Article VI – Outdoor Festivals](#) and we understand and accept the requirements.

We represent and warrant that we have the appropriate authorization to enter into this agreement on behalf of the organization responsible for the outdoor festival.

Best,

John J. Thyme III
