It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional and legislative appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the Agreement were executed after that determination was made.

This Agreement is valid and enforceable only if (1) sufficient funds are made available by the State Budget Act of the appropriate State Fiscal Year(s) covered by this Agreement for the purposes of this program; and (2) sufficient funds are made available to the State by the United States Government or by the State of California for the Fiscal Year(s) covered by this Agreement for the purposes of this program. In addition, this Agreement is subject to any additional restrictions, limitations or conditions established by the United States Government and/or the State of California, or any statute enacted by the Congress and Legislature, which may affect the provisions, terms or funding of the Agreement in any manner. The parties mutually agree that if the Congress and/or Legislature do not appropriate sufficient funds for the program, this agreement shall be amended to reflect any reduction in funds.

- a) **Budget Flexibility:** Budget revisions between identified budget categories in cost reimbursement agreements that are within the total Agreement amount, comply with the Prior Approval Requirements above and do not change the Scope of Work or substitute Key Personnel, as defined in this Agreement, are allowed with FOUNDATION's prior

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of AWARDEEs and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.
