That the Board of Supervisors:

- b) Determine that the above actions are government fiscal activities or funding mechanisms which do not involve any commitment to any specific project which may result in a potentially significant impact on the environment, and are therefore not a project under the California Environmental Quality Act (CEQA) pursuant to section 15378(b)(4) of the CEQA guidelines.

Summary Text: Aramark Corporation currently provides all the necessary food supplies, kitchen services and program support for the provision of food to inmates and staff in support of the daily operation of the Santa Barbara County Main Jail. On January 14, 2020, the County of Santa Barbara released a request for proposal for correctional kitchen services for both the Main Jail and the Northern Branch Jail (NBJ). Due to fluctuating opening date of the NBJ, this eleventh amendment allows for the Sheriff's Office to provide kitchen services in the Main Jail until a new agreement is attained for kitchen services.

Background:

On July 10, 2012, the Sheriff's Office entered into a contract (Attachment C) with Aramark Corporation to provide kitchen services for the Sheriff's Office Main Jail. The Sheriff's Office, Custody Division, Jail Administration and Sheriff's Food Supervisor have provided oversight jail food services contract for the past eight years. Aramark has provided all the necessary food supplies, kitchen services and program support for provision of food to inmates and staff in support of the daily operation of the Santa Barbara County Jail in conjunction with the Sheriff's Food Supervisor. This contract was awarded to help support the jail kitchen sewer remodel project.

This is the fourth request for an extension and eleventh amendment. Amendments 1 through 6 and 9 (Attachment F) were due to CPI calculations pursuant to Section 20 of the original Agreement. Amendments 7, 8, and 10 (Attachment B) were the first, second, and third requests for extension respectively. The extension period is on a month-to-month basis, in anticipation of a new kitchen services agreement and aligning this contract with the fluctuating opening date of the Northern Branch Jail. Due to COVID-19, we are still currently at the end of the selection process and will be coming back to the Board within the next few months with a new agreement.

Fiscal and Facilities Impacts:

Budgeted:

Yes

Fiscal Analysis:

This extension is budgeted in the FY 2020/2021 budget. There are no additional impacts on General Fund.

Special Instructions:
