## AGREEMENT

### 19. TERMINATION.

- A. **By County.** County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience, for nonappropriation of funds, or because of the failure of Contractor to fulfill the obligations herein.
1. **For Convenience.** County may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.
  2. **For Nonappropriation of Funds.**
    - i. The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.
    - ii. As permitted by applicable State and Federal laws regarding funding sources, if funding to make payments in accordance with the provisions of this Agreement is delayed or is reduced from the County, State, and/or federal governments for the Agreement, or is not allocated or allotted in full to County by the County, State, and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments will be delayed or be reduced accordingly or County shall have the right to terminate the Agreement. If such funding is reduced, County in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In these situations, County will pay Contractor for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.
    - iii. Contractor expressly agrees that no penalty or damages shall be applied to, or shall accrue to, County in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.
  3. **For Cause.** Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County may, at County's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, Contractor shall immediately discontinue all services affected (unless the notice directs otherwise) and notify County as to the status of its performance. The date of termination shall be the date the notice is received by Contractor, unless the notice directs otherwise.

## **AGREEMENT**

- C. **Upon termination,** Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by Contractor or the Professionals subcontracted by Contractor in performing this Agreement, whether completed or in process, except such items as County may, by written permission, permit Contractor to retain. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.
