Project No. F01005

Recommendations:

That the Board of Supervisors:

- A. Approve and execute a Construction Agreement with Smith Electric Service (a local vendor) in the amount of \$599,943.00 for the Administration Building Penthouse Air Handler Replacement Project No. F01005, subject to the provisions of the documents and certifications as set forth in the plans and specifications, and as required by California Law; and
- B. Authorize the Director of General Services to approve change orders in the aggregate amount of 10% of the contract amount.

Alignment with Board Strategic Plan:

The recommendation is primarily aligned with Goal No. 2 Ensure the Public Health and Safety and Provide Essential Infrastructure.

Executive Summary and Discussion:

The existing units in the Administration Building Penthouse are in extremely poor condition and subject to frequent breakdown. In addition these units are no longer manufactured and parts are becoming difficult to acquire.

Subject: Administration Building Penthouse Air Handler Replacement Project No. F01005

Date: December 14, 2004

Page: 2

It is considered prudent to replace these units before a complete breakdown occurs, subjecting the occupants of the Administration Building 3rd and 4th floors to an extended period of poor air flow and temperature control.

The estimated project completion is in June, 2005. The schedule for this project is driven by delivery of long lead materials which could take several months to acquire. Actual installation of the equipment should not take longer than 2 months.

Mandates and Service Levels:

No change in programs or service levels.

Fiscal and Facilities Impacts:

The Administration Building Air Handler Replacement project is included in the Five Year Deferred Maintenance (formerly Capital Improvement) Plan dated July 1, 2000 – June 30, 2005. Funds for this project have been appropriated and are available in Fund 0001, Dept. 063, Program 1225, Account 7671, Project F01005. It is shown in the adopted Santa Barbara County Department Summary as *Capital Improvements* on page D-342.

Special Instructions:

Please send the fully executed duplicate original contract and a copy of the Minute Order to Jack T. Williams, Facilities Services Division, Courthouse Annex, 2nd Floor.

CONTRACTOR shall notify the COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement.

Insurance:

Without limiting the CONTRACTOR's indemnification of the COUNTY, CONTRACTOR shall procure the following required insurance coverage's at its sole cost and expense. All insurance coverage's are to be placed with insurers which (1) have a Best's rating of no less than A: VII, and (2) are admitted insurance companies in the State of California. All other insurers require the prior approval of the COUNTY. Such insurance coverage shall be maintained during the term of this Agreement. Failure to comply with the insurance requirements shall place CONTRACTOR in default. Upon request by the COUNTY, CONTRACTOR shall provide a certified copy of any insurance policy to the COUNTY within ten (10) working days.

1. Workers' Compensation Insurance. Statutory Workers' Compensation and Employers Liability Insurance shall cover all CONTRACTOR's staff while performing any work incidental to the performance of this Agreement. In the event CONTRACTOR is self-insured, it shall furnish a copy of Certificate of Consent to Self-Insure issued by Department of Industrial Relations for State of California. This provision does not apply if CONTRACTOR has no employees as defined in Labor Code Section 3350 et seq. during the entire period of this Agreement and CONTRACTOR submits a written statement to the COUNTY stating that fact.
2. General and Automobile Liability Insurance. The general liability insurance shall include bodily injury, property damage and personal injury liability coverage, shall afford coverage for all premises, operations, products and completed operations of CONTRACTOR and shall include contractual liability coverage sufficiently broad so as to include the insurable liability assumed by the Contractor in the indemnity and hold harmless provisions [above] of the Indemnification Section of this Agreement between COUNTY and CONTRACTOR. The automobile liability insurance shall cover all owned, non-owned and hired motor vehicles that are operated on behalf of CONTRACTOR pursuant to CONTRACTOR's activities hereunder. CONTRACTORS shall require all subcontractors to be included under its policies or furnish separate certificates and endorsements to meet the standards of these provisions by each subcontractor. COUNTY, its officers, employees, and agents shall be Additional Insured status on any policy. A cross liability clause, or equivalent wording, stating that coverage will apply separately to each named or additional insured as if separate policies had been issued to each shall be included in the policies. A copy of the endorsement evidencing that the policy has been changed to reflect the Additional Insured status must be attached to the certificate of insurance. The limit of liability of said policy or policies for

COUNTY shall maintain at current certificate(s) of insurance all times in the office of the designated County representative as a condition precedent to any payment under this Agreement. Approval of insurance by COUNTY or acceptance of the certificate of insurance by COUNTY shall not relieve or decrease the extent to which the contractor may be held responsible for payment of damages resulting from CONTRACTOR'S services of operation pursuant to the contract, nor shall it be deemed a waiver of COUNTY'S rights to insurance coverage hereunder

In the event the CONTRACTOR is not able to comply with the COUNTY'S insurance requirements, COUNTY may, at their sole discretion and at the CONTRACTOR'S expense, provide compliant coverage.

The above insurance requirements are subject to periodic review by the COUNTY. The COUNTY'S Risk Manager is authorized to change the above insurance requirements, with concurrence with County Counsel, to include additional types of insurance coverage or higher coverage limits, provided that such change is reasonable based on changed risk of loss or in light of past claims against the COUNTY or inflation. This option may be exercised during any amendment of this Agreement that results in an increase in the nature of COUNTY'S risk and such change of provisions will be in effect for the term of the amended Agreement. Such change pertaining to types of insurance coverage or higher coverage limits must be made by written amendment to this Agreement.
