Statement of Work

- I. **CONTRACTOR shall provide Seeking Safety to probation supervised female offenders (aged 12 through 18) referred by COUNTY , as described in this statement of work, for medium and high risk juvenile offenders residing in the Santa Maria and Lompoc regions..**

A. Description of Component:

Seeking Safety is an evidence-based treatment intervention that provides coping skills to help youth attain safety from trauma and/or substance abuse. It directly addresses both trauma and addiction, without requiring clients to delve into the trauma narrative. It can be conducted over any number of sessions available. It is highly flexible and can be conducted in a group or individual format for different gender, age, and setting considerations, and for any type of trauma or substance, or both. Seeking Safety offers 25 topics that each represent a safe coping skill. They can be conducted in any order and scaled to accommodate available treatment sessions. Its key principles are:

1. Safety as the overarching goal (helping clients attain safety in their relationships, thinking, behavior, and emotions);
2. Integrated treatment (working on both trauma and substance abuse at the same time);
3. A focus on ideals to counteract the loss of ideals in both trauma and substance abuse;
4. Four content areas: cognitive, behavioral, interpersonal, case management; and
5. Attention to clinician processes (clinicians' emotional responses, self-care, etc.)

Additional information on Seeking Safety can be found here:

<https://www.treatment-innovations.org/seeking-safety.html>

B. Unit of Service per Client Defined:

CONTRACTOR shall provide a total of four (4) cohorts of the Seeking Safety curriculum in its entirety throughout the contracted period. A cohort, under this Statement of Work, is defined as a group of up to 15 youth that participate together in weekly one (1) hour sessions until the curriculum is completely delivered. The curriculum is completely delivered when all 25 of the safe coping skills are provided to the cohort. Cohorts are not considered closed groups and youth may be referred to and participate in a cohort at any time during its delivery.

CONTRACTOR shall completely deliver the curriculum for each cohort within 25 total hours. CONTRACTOR shall deliver the curriculum based on the needs of each cohort's participants as indicated by the referring Probation Officer(s), and by the facilitator at the start of the cohort and during the course of its delivery. CONTRACTOR shall have the discretion to decrease or increase the amount of time spent on any given safe coping skill based on those identified needs so long as all 25 skills are provided within 25 total hours.

CONTRACTOR shall facilitate two (2) of the four (4) total cohorts in Santa Maria with one (1) cohort being completed in the first six (6) months of the fiscal year, and the other cohort being completed in the second six (6) months of the fiscal year.

CONTRACTOR shall facilitate two (2) of the four (4) total cohorts in Lompoc with one (1) cohort being completed in the first six (6) months of the fiscal year, and the other cohort being completed in the second six (6) months of the fiscal year.

C. Budgeted Service Level:

CONTRACTOR shall provide the Seeking Safety curriculum to up to four (4) cohorts of youth referred by COUNTY with each cohort consisting of up to 15 participants.

The cost for providing the curriculum as described is \$3,250.00 per cohort, or \$13,000.00 for all four (4) total cohorts, when completely delivered. This is based on one (1) hour of direct service by the facilitator providing the curriculum for each cohort at a rate of \$65.00 per session, and one (1) additional hour of indirect support activities per session in each cohort at a rate of \$65.00. Indirect support activities include preparation for a session, case note completion after a session, documentation, statistical and performance measure compilation and reporting, contact with youth, her family, and COUNTY staff to coordinate services, and related activities.

This agreement assumes that the curriculum will be completely delivered in no less and no more than 25 total hours. However, in the event a cohort is delivered in less than 25 hours, COUNTY shall compensate CONTRACTOR for the hours, or sessions, actually completed.

CONTRACTOR shall initiate and provide services to all youth referred by COUNTY, and shall not view any referral as discretionary.

CONTRACTOR's indemnification obligation applies to COUNTY's active as well as passive negligence but does not apply to COUNTY's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, his agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

4. **Professional Liability (Errors and Omissions)** Insurance appropriate to the CONTRACTOR'S profession, with limit of no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the CONTRACTOR maintains higher limits than the minimums shown above, the COUNTY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR'S insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
