SUBJECT: No Parking Zone on Patterson Avenue in the Second Supervisorial District.

RECOMMENDATIONS:

That the Board of Supervisors adopt a resolution establishing a “No Parking” zone on Patterson Avenue in the Goleta area.

ALIGNMENT WITH BOARD STRATEGIC PLAN:

The recommendation is primarily aligned with Goal #2: Ensure the public health and safety and provide essential infrastructure.

EXECUTIVE SUMMARY AND DISCUSSION:

The intersection of Patterson Avenue and Ekwil Street is a 4-way intersection where Ekwil Street is controlled by a Stop sign. Upon review of this intersection, it was determined that an inadequate sight distance exists due to parked vehicles on the east side of Patterson Avenue south of Ekwil Street. The Public Works Department recommends establishment of a No Parking zone for the purpose of improving visibility and in the interest of public safety at the following location:

On the east side of Patterson Avenue from the centerline of Ekwil Street to a point 295 feet south of the centerline of Ekwil Street.

MANDATES AND SERVICE LEVELS:

No mandates or service levels are affected by this action.

FISCAL AND FACILITIES IMPACTS:

Approximately \$200.00 will be required and is available in Department #054\02\04 Account # 7121 for painting red curb.

SPECIAL INSTRUCTIONS:

Please forward one copy of the minute order/executed document to the attention of Kathleen Dowd of the Public Works Department Traffic Section.
