Berberabe: Three-time All-American

Westmont athlete named to NAAIA's First Team

By RON SMITH
WESTMONT SPORTS WRITER

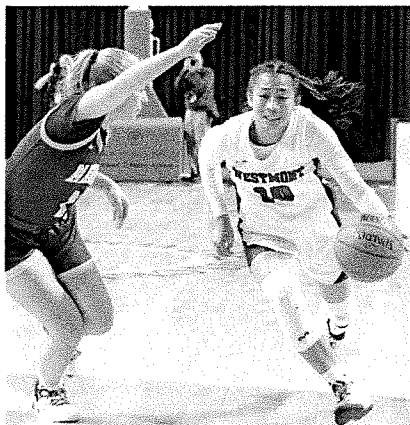

KANSAS CITY, Mo. — For the third year in a row, Westmont's Stefanie Berberabe has been named both a First Team NAAIA Women's Basketball All-American and a Women's Basketball Coaches Association All-American.

"I am grateful that Stef was recognized as a first-team All-American both by the NAAIA and the WBCA," said Westmont's head coach Kirsten Moore. "It is so well-deserved. She has been such an incredible player this year that contributed in so many ways."

"Her impact was multifaceted on the court. Not just scoring, but assisting, rebounding and steals. Most importantly are things that don't show up on the stat sheet — the heart with which she played the game and the heart with which she loved her teammates. She has represented our program at the highest level of excellence as a basketball player, but also in her character and the way she carries herself."

Known throughout the NAAIA for her ball-handling ability, Berberabe's 4.0 assist-to-turnover ratio led the NAAIA among all starting players. She ranked eighth in the NAAIA this year in steals per game at 3.1 and ninth in assists per game at 5.8.

"Even though our season ended sooner than we would want, there is no doubt that she is deserving of being a first team All-American," expressed Moore. "Despite the number of season-ending injuries our team faced, I am super proud of the way Stef continued to battle and continued to lead, and I am grateful she is being honored in her last year in that way."

WESTMONT COLLEGE PHOTO

"I am grateful that Stef (Berberabe) was recognized as a first-team All-American both by the NAAIA and the WBCA," said Westmont's head coach Kirsten Moore.

Berberabe figures prominently in the Westmont record books, placing in the top 10 in 16 statistical categories. She is Westmont's all-time leading scorer with 1,782 career points, and ranks third in career points per game at 13.1. Somewhat surprisingly, unless one has watched her play, the 5-4 guard ranks fifth in career offensive rebounds with 360 and ninth in total rebounds.

Not surprisingly, Berberabe is

second in both career assists (601) and in career steals (325). She has played in more games (134) than any other Warrior and for more minutes (3,896).

"Stef changes the game defensively," explained Moore. "She has a level of grit, hustle and toughness that creates a lot of steals, but there are a lot of plays she makes where she doesn't end up getting credited with the steal. She deflects it to a teammate or chases someone down from

behind and pops the ball out. She makes so much happen on the defensive end of the floor that it is uncomfortable for offensive players."

As much as she is both admired and feared on the court for her basketball abilities, it is Berberabe's character that sets her apart.

"One of the things that made Stef truly unique as a leader in this program is that there was such a purity of heart about her," said Moore. "What she was doing was for the good of her teammates and the whole team. It wasn't self-seeking, but it was always others focused."

"The ways that she served and gave of her energy and talents and efforts were always in striving toward our bigger team goals — not so she could receive personal accolades. There was not once that she asked me to see a stat sheet. It was just about doing everything she could to help our team be our best and help us maximize who we could be on the court."

"You see that selfless character in her assists — the one statistic you can look at. We needed and relied on her to score, but even when she was scoring, it was because she was trying to help our team do what it needed to do to come out on top, not because she was worried about her stats."

"On a team that is as close as ours, you can't fake motivation. The purity of heart and that selfless love she has for others put her in a position to be such an impactful leader."

Ron Smith is the sports information director at Westmont College.

UCSB men's tennis team to face formidable foe

By ERIC BOOSE
UCSB SPORTS WRITER

The UCSB men's tennis team has climbed to its highest national ranking of the season ahead of one of its toughest tests, as the 22nd-ranked Gauchos will host the 28th-ranked Cal Golden Bears at Arnold Tennis Center on Sunday.

The Gauchos are riding a five-match winning streak and have not lost at home all season, but they have never beaten Cal in a dual match.

The match is set for 1 p.m. Set and pits No. 32 UCSB (4-1, 1-0 Pac-12) at the Arnold Tennis Center.

UCSB will be looking for their first ever win over Cal on Sunday, with the Gauchos winless in 14 previous duals against the Golden Bears. UCSB's most recent meeting with Cal was in April 2019 in Berkeley, with the Bears winning, 4-1.

Later in the week, the Gauchos will hit the road next, heading north to take on Oregon in Eugene on March 30. UCSB was originally scheduled to host the Ducks on Feb. 24, but wet weather that weekend forced a change of plans. First serve from Eugene is set for noon.

JORDAN EARNS SECOND BIG WEST WEEKLY HONOR (MARCH 8)

Phillip Jordan had a great weekend in San Diego and was recognized by The Big West for his performance, earning the conference's Player of the Week award. Jordan clinched UCSB's win over San Diego State on court one in singles to start the weekend, then helped the Gauchos to a shutout win at UC San Diego in their conference opener, winning on court one in doubles and court two in singles against the Tritons.

RANKING UP

UCSB is home to some of the most talented collegiate tennis players in the nation, with Phillip Jordan and Kai Brady both earning spots in the Intercollegiate Tennis Association's most recent national player rankings, checking in at 57th among all D-I doubles partnerships. As a team, the Gauchos are ranked No. 32 in the country.

JORDAN NAMED BIG WEST PLAYER OF THE WEEK (FEB. 8)

Redshirt junior Phillip Jordan

earned his fourth career Big West Player of the Week award following strong performances against New Orleans and UTSA. The redshirt junior went 2-0 at the top singles position against the Privateers and Roadrunners to help UCSB extend their unbeaten run to seven dual matches.

GETTING BACK TO THE MOUNTAIN TOP

After a bitter end to the 2022 season, the Gauchos will look to win one match more in 2023 and reclaim The Big West Championship crown. UCSB went 17-6 in 2022, winning all 10 of their home matches, but their season ended in defeat to UC Irvine in the final match of The Big West Championship. The Gauchos had won a record six consecutive Big West Championships, from 2015-2021, and will look to return to the mountaintop in 2023 with their seventh conference title in eight seasons.

FALL RECAP

A number of Gauchos took part in October tournaments, making multiple deep runs in both doubles and singles. Pablo Masjuan finished second overall

in singles at the UCSB Classic, where Gianluca Brunkow and Alexander Watanabe-Eriksson took third in the doubles bracket. There was more doubles success to be had at the ITA Southwest Championships, with Phillip Jordan and Kai Brady reaching the semifinals. Masjuan was back on the podium at the UTSA SoCal Intercollegiate Championships, taking home the silver in singles and with Luka Masic in doubles. Masjuan came in at #77 in the ITA singles rankings in November.

MULLER READY FOR YEAR TWO AT THE HELIX

The 2023 season Blake Muller's second as head coach at UCSB and his ninth total with the program. The Santa Barbara native spent seven years as an assistant coach under Marty Davis, and was named head coach in August 2021, following Davis's retirement. In 2019, the Intercollegiate Tennis Association named Muller the Southwest Region Assistant Coach of the Year.

UCSB women's tennis team to play in Hawaii

By ERIC BOOSE
UCSB SPORTS WRITER

The UCSB women's tennis team will look to maintain its perfect conference record and build a winning streak as they head to Hawaii for the first match in a five-match road trip on Sunday.

The Gauchos come into the weekend at 2-0 in the Big West, having defeated UC San Diego in their last match. The Rainbow Wahine enter the weekend on a three-match winning streak and with a 4-1 Big West record.

The match is set for 5:30 p.m. Pacific time Sunday at the University of Hawaii's Tennis Center.

The Gauchos have won nine of their last 15 matches against the Rainbow Wahine and are on a three-match winning streak against Hawaii's coming into Sunday's match. UCSB won on its last trip to the islands in 2021, 5-2, then knocked Hawaii's out of the Big West Championships with a 4-0 win that same season.

LAST TIME OUT

The Gauchos got back into the win column with their second Big West victory of the season

in their last match, taking down UC San Diego, 6-1, at the Arnold Tennis Center. The Gauchos took the doubles point and won on the top five singles courts, with Marta Gonzalez Balbe clinching the match on court five. Walk-on freshman Solaya Han made her collegiate debut against the Tritons and played well, despite not getting the win on court six.

UP NEXT

UCSB will return from Hawaii but remain on the road for their next matches, as the Gauchos are set to take on UCLA March 30 and San Diego April 1 in a pair of road non-conference contests. UCSB's next home match will be April 15, when they welcome UC Irvine to the Arnold Tennis Center.

RANKING UP

The Intercollegiate Tennis Association released its newest player rankings on March 21, and UCSB's Amelia Honer and Kira Reuter both were featured. Honer remains one of the most highly regarded singles players in the country, checking in at No.

61 in the most recent rankings. Honer and Reuter continue to form a formidable tandem in doubles as well, and remain in the top 25 partnerships in the country, checking in at No. 24.

HONER WINS BACK-TO-BACK BIG WEST WEEKLY AWARDS, AGAIN (MARCH 8)

For the second time this season, Amelia Honer earned Big West Player of the Week honors in consecutive weeks, winning the sixth weekly award of her career after a strong showing against Oklahoma State and Loyola Marymount, teams ranked No. 35 and No. 62 at the time.

Honer won both her singles matches against the Cowgirls and Lions in straight sets on court one, while also picking up a win on the top doubles court alongside Kira Reuter against Oklahoma State. The award is her fourth of the season, following back-to-back wins at the end of January and beginning of February.

Eric Boose is assistant director of athletic communications at UCSB.
