Summary Text:

This item is on the agenda in order to approve the agreement with Martha Yopez. As the Family Resource Center Coordinator, Martha Yopez provides professionally-based case management, information, referral, and family support education to families in the greater Cuyama Valley. She also works on developing resources and services for families and children in New Cuyama.

Operations of the center and the coordinator are supported by the Department of Social Services and First 5 Santa Barbara. First 5 funds have been renewed for Fiscal Year 16/17. This Agreement contains a clause that allows for termination for any reason by the County with 30 days notice.

Background:

In July of 2006, the Department of Social Services agreed to take on the development and operation of a Family Resource Center (FRC) in the Cuyama Valley with some financial support by the Santa Barbara County First 5 Commission. Martha Yopez, who had been providing services to Cuyama families under the auspices of Catholic Charities, was retained by the Department of Social Services as the Family Resource Center Coordinator to take the lead in establishing a community-based family resource center.

The center became fully operational in March of 2007 and now serves an average of 150 residents per month at the FRC located at the County facility at 4689 Highway 166, unit B in New Cuyama.

The current arrangement, with the Department of Social Services providing management and operational support and retaining the Coordinator position as a Contractor on Payroll, functions well to provide the needed services and allows the County the most flexibility in the management and support of the program and this position as listed in Attachment 1, Cuyama Family Resource Center Table of Services.

Performance Measure:

The number of collaborative partners will fluctuate depending on funding and need. The Cuyama Valley Family Resource Center (FRC) will formalize agreements with MOU's when required.
Coordination & Leadership Development	The FRC Coordinator: Contributes to the development of written policies and procedures that guide the operations of the FRC Attends Board meetings and provides Spanish translation as needed Coordinates annual Community Leadership classes and projects	Continue to support the Executive Lead and FRC Board in development of written policies and procedures and completion of the 5 year strategic plan Provide Community Leadership training annually or as needed Participate in additional Certified Application Assistor training as needed to facilitate health insurance enrollment and retention
