Summary Text:

Behavioral Wellness is mandated by the California Welfare and Institutions Code to provide services to individuals with substance use issues in Santa Barbara County. Behavioral Wellness provides these services primarily through contracted providers. This is being brought to the Board of Supervisors for approval of the recommended action authorizing the Behavioral Wellness Director to sign this amended agreement to accept additional Substance Abuse Prevention and Treatment Block Grant First funds to provide additional services, and to approve the Budget request Revision #0006014.

Background:

The Department of Health Care Services (DHCS) directs local County funding to primary prevention, treatment and recovery services through a block grant from the federal Substance Abuse and Mental Health Services Administration (SAMHSA). SAMHSA, established in 1992 within U.S. Department of Health and Human Services, provides funds for substance abuse primary prevention, Friday Night Live, Perinatal Treatment Services, and Room and Board for Transitional Housing programs in California through DHCS by the authority of Title 45 of the Code of Federal Regulations Part 96 and through the SABG agreement. The SABG is a federal award under Title 45 Code of Regulations (CFR) Part 75. The SAPT Agreement No. 17-94159 was approved by the Board of Supervisors in December 2017, to provide \$7,824,072 for the period July 1, 2017 through June 30, 2020.

DHCS recently amended the three-year contract to provide modified language terms and conditions and increased discretionary funds only for FY 18-19 by \$28,881 for a total contract maximum of \$7,852,953 consisting of a federal SAPT Block Grants (SABG) funds. This multi-year revenue agreement amendment allows Behavioral Wellness Alcohol and Drug Program (ADP) to receive additional discretionary fund reimbursement from the State Department of Health Care Services (DHCS) for Substance Abuse Prevention and Treatment (SAPT) services for the purpose of providing alcohol and other drug prevention, treatment and recovery support services to residents of Santa Barbara County. The additional funds have been earmarked to provide additional alcohol and drug free housing.

In addition, the SAPT amendment provides minor changes to the agreement terms and conditions. Behavioral Wellness will amend affected provider contracts under its authority to make non-material changes to its subcontracts, and will return to the Board with amendments if any other material provisions are needed in its SAPT subcontracts.

Approval of the recommended action will enable Behavioral Wellness and its subcontractors to receive reimbursement for services provided prevention and treatment services to individuals with substance abuse issues throughout Santa Barbara County through June 30, 2020.

Performance Measures and Outcomes:

Services delivered by the contracted service providers have performance measures and outcomes written into each contract and service. Data is entered into the California's Outcomes Measurement System for Treatment (CalOMS). As a recipient of SABG funds, Behavioral Wellness must:

1. Adhere to SAMHSA National Outcome Measures.
2. Maintain effective internal control over the SABG funds.
3. Comply with federal statutes, regulations, including 45 CFR Part 75, and terms and conditions of the SABG grant.
4. Evaluate and monitor its activities and the activities of all subcontractors for compliance with applicable statutes, regulations, and terms and conditions of the subaward.
5. Address any instances of noncompliance promptly.

Fiscal and Facilities Impacts:

Budgeted: No

Fiscal Analysis:

<u>Funding Sources</u>	<u>FY 17-18</u>	<u>FY 18-19</u>	<u>FY 19-20</u>
General Fund			
State			
Federal			
Fees			
Other: SABG Award	\$ 2,608,024	\$ 2,636,905	\$ 2,608,024
Annual Total:	\$ 2,608,024	\$ 2,636,905	\$ 2,608,024
Three Year Total:			\$ 7,852,953

Narrative: This multi-year contract provides the annual provisional budget along with the maximum reimbursement amount for the subsequent years. Behavioral Wellness budgeted for the SAPT/SABG for FY 17-18 and it was approved in the Adopted Budget. However, a Budget Revision Request is necessary to adjust the Alcohol and Drug Program Fund budget to recognize the increased revenue of \$28,905 for FY 18-19 and to establish an appropriations budget. The BJE appropriation is in the amount of \$28,905, rather than for the amount of State’s increase of \$28,881 due to the original SAPT/SAGB agreement funds having been uploaded in the County Fiscal FIN system incorrectly (minus six dollars). Behavioral Wellness is now correcting the discrepancy plus adding the increase of \$28,881. There is no increase in General Fund contributions. Approval of the recommended action will not increase the use of General Fund dollars by the Department of Behavioral Wellness. We will return each year for subsequent budget approval.

Key Contract Risks:

The funding is subject to congressional appropriation of funds. If the funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, DHCS has the option to either cancel this Contract with no liability occurring to DHCS, or offer an amended agreement to Contractor to reflect the reduced amount. It also passes on to the County the responsibility to repay any audit exception taken by the Federal government and the State or the California State Auditor. The contract also imposes procedural and reporting requirements implemented by Behavioral Wellness that could be subject to audit in the future. However, Behavioral Wellness contracts with its service providers include language requiring contractors to repay any amounts disallowed in audit findings, minimizing financial risks to County.

Exhibit B A1
Budget Detail and Payment Provisions

Part I – General Fiscal Provisions

Section 1 – General Fiscal Provisions

A. Fiscal Provisions

For services satisfactorily rendered, and upon receipt and approval of documentation as identified in Exhibit A, Attachment I, Part III, the Department of Health Care Services (DHCS) agrees to compensate the Contractor for actual expenditures incurred in accordance with the rates and/or allowable costs specified herein.

B. Funding Authorization

Contractor shall bear the financial risk in providing any substance use disorder services covered by this Contract.

C. Availability of Funds

It is understood that, for the mutual benefit of both parties, this Contract may have been written before ascertaining the availability of congressional appropriation of funds in order to avoid program and fiscal delays that would occur if this Contract were not executed until after that determination. If so, DHCS may amend the amount of funding provided for in this Contract based on the actual congressional appropriation.

D. Budget Contingency Clause

It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Contract does not appropriate sufficient funds for the program, this Contract shall be of no further force and effect. In this event, DHCS shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Contract and Contractor shall not be obligated to perform any provisions of this Contract.

If the funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, DHCS shall solely have the option to either cancel this Contract with no liability occurring to DHCS, or offer an amended agreement to Contractor to reflect the reduced amount.

E. Expense Allowability / Fiscal Documentation

1. Invoices, received from a Contractor and accepted and/or submitted for payment by DHCS, shall not be deemed evidence of allowable agreement costs.
2. Contractor shall maintain for review, audit, and supply to DHCS upon request, adequate documentation of all expenses claimed pursuant to this Contract to permit a determination of expense allowability.
3. If the allowability or appropriateness of an expense cannot be determined by DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles, and generally accepted governmental audit standards, all questionable costs may be disallowed and payment may

Exhibit B A1
Budget Detail and Payment Provisions

be withheld by DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.

4. Costs and/or expenses deemed unallowable shall not be reimbursed or, if mistakenly reimbursed, those costs and/or expenses shall be subject to recovery by DHCS pursuant to HSC Code 11817.8(e).

F. Maintenance of Effort for the Substance Abuse Prevention and Treatment Block Grant

1. Notwithstanding any other provision in this Contract, the Director of DHCS may reduce federal funding allocations, on a dollar-for-dollar basis, to a county that has a reduced or anticipates reduced expenditures in a way that would result in a decrease in California's receipt of Federal Substance Abuse Prevention and Treatment Block Grant (SABG) funds (42 United States Code (U.S.C.) Sect 300x-30).
2. Prior to making any reductions pursuant to this subdivision, the Director shall notify all counties that county underspending will reduce the Federal SABG Maintenance Of Effort (MOE). Upon receipt of notification, a county may submit a revision to the county budget initially submitted pursuant to HSC Section 11798 subdivision(a) in an effort to maintain the statewide SABG MOE.
3. Pursuant to HSC Section 11814(d)(3), a county shall notify DHCS in writing of proposed local changes to the county's expenditure of funds. DHCS shall review and may approve the proposed local changes depending on the level of expenditures needed to maintain DHCS wide SABG MOE.

G. SABG Primary Prevention Services Expenditure Requirement

Pursuant to Title 42, U.S.C. Section 300x-22(a), the Contractor shall expend a minimum of 20 percent of SABG funds for primary prevention services. The Contractor shall expend primary prevention funds for strategies, programs, and services directed at individuals who have not been determined to require treatment for a substance use disorder. These programs shall educate and counsel individuals on substance abuse and provide for activities to reduce the risk of such abuse by the individuals. The Contractor shall give priority to programs for populations that are at risk of developing a pattern of substance abuse and ensure that those programs develop community-based prevention strategies.

H. SABG Women Services Expenditure Requirement

Pursuant to Title 42, U.S.C. 5 Section 300x-22(b) and 45 Code of Federal Regulations (CFR) 96.124(c), for each state fiscal year (SFY) the Contractor shall expend an amount of SABG funds not less than the amount expended by the Contractor in fiscal year 1994 on perinatal services, pregnant women, and women with dependent children. The Contractor shall expend that percentage either by establishing new programs or expanding the capacity of existing programs in the manner described in Exhibit G of the annual SABG allocation, "County Share of SABG Women Services Expenditure Requirements" (found at http://www.dhcs.ca.gov/formsandpubs/Documents/Info%20Notice%202015/11-Exhibit_G.pdf).

Exhibit B A1
Budget Detail and Payment Provisions

Section 2 – General Fiscal Provisions – SABG

A. Revenue Collection

Contractor shall conform to revenue collection requirements in HSC Sections 11841, by raising revenues in addition to the funds allocated by DHCS. These revenues include, but are not limited to, fees for services, private contributions, grants, or other governmental funds. These revenues shall be used in support of additional alcohol and other drug services or facilities. Each alcohol and drug program shall set and collect client fees based on the client's ability to pay. The fee requirement shall not apply to prevention and early intervention services. Contractor shall identify in its annual cost report the types and amounts of revenues collected.

B. Cost Efficiencies

It is intended that the cost to the Contractor in maintaining the dedicated capacity and units of service shall be met by the SABG funds allocated to the Contractor and other Contractor or subcontractor revenues. Amounts awarded pursuant to Exhibit A, Attachment I, Part I, shall not be used for services where payment has been made, or can reasonably be expected to be made under any other state or federal compensation or benefits program, or where services can be paid for from revenues.

1. The amount payable under this Contract shall not exceed the amount identified on the State of California Standard Agreement form STD 213 DHCS.
2. Reimbursement shall be made for allowable expenses up to the amount annually encumbered commensurate with the state fiscal year in which services are performed and/or goods are received.
3. The funds identified for the fiscal years covered by this Section, within this Exhibit, are subject to change depending on the availability and amount of funds appropriated by the Legislature and the Federal Government. The amount of funds available for expenditure by the Contractor shall be limited to the amount identified in the final allocations issued by DHCS for that fiscal year or the SABG amount, whichever is less. Changes to allocated funds will require a written amendment to the Contract.
4. For each fiscal year, DHCS may settle costs for services based on the year-end cost settlement report. The year-end cost settlement shall be the final amendment for the state fiscal year.

Section 2 - Substance Abuse Prevention and Treatment Block Grant (SABG)

A. Amounts Payable for SABG

1. DHCS shall reimburse the Contractor ~~monthly in arrears~~ **based upon quarterly invoicing,** ~~an amount equal to one-twelfth of the maximum amount allowed pursuant to Exhibit B of the Contract or the most recent allocation based on the Budget Act Allocation, whichever is less. Final allocations will reflect any increases or reductions in the appropriations as reflected in DHCS Budget Act allocation and any subsequent allocation revisions.~~
2. Quarterly Invoicing-Quarterly Federal Financial Management Report (QFFMR)
 - a) ~~Chapter 8760 of the State Administrative Manual requires DHCS to establish control mechanisms to ensure that the Contractor does not spend beyond its allocation and that DHCS does not reimburse beyond the Contractor's allocation. The Contractor shall complete QFFMRs invoices as prescribed in Exhibit A, Attachment I, Part III, Section A, Subsection 1, by DHCS that serve as expenditure reports during the fiscal year. These quarterly QFFMRs serve as expenditure reports and invoices for payment.~~ The Contractor shall incur expenditures before receiving payment from its allocation. ~~These expenditures are documented as totals in aggregate.~~ Quarterly invoices are due:

Exhibit B A1
Budget Detail and Payment Provisions

- ~~December 1-1st Quarter~~
- ~~March 1-2nd Quarter~~
- ~~June 1-3rd Quarter~~
- ~~September 1-4th Quarter~~

~~These invoices serve as payment authorizations. Payment authorizations are analyzed by DHCS to ensure that costs are reasonable and do not exceed the Contractor's allocation. Inaccuracies in the report shall be resolved by the Contractor prior to receiving payment. These quarterly invoices serve as the Quarterly Federal Financial Management Report (QFFMR).~~

- b) The Contractor shall submit the QFFMR describing the preceding quarter's SABG expenditure by March 1, June 1, September 1, and December 1 of each year.
- c) DHCS shall review QFFMR reports to ensure that costs are reasonable and do not exceed the Contractor's allocation. Inaccuracies in the report shall be resolved by the Contractor prior to receiving payment.
- ~~3. Monthly disbursements to the Contractor at the beginning of each fiscal year of the Contract shall be based on the preliminary allocation of funds, as detailed in Section 2 of this Exhibit.~~
- ~~4. Based on the expenditure information submitted by the counties in the QFFMR (Document 30), DHCS may adjust monthly payments of encumbered block grant federal funds to extend the length of time (not to exceed 21 months) over which payments of federal funds will be made.~~
3. Pursuant to 45 CFR Section 75.371 and HSC Section 11817.8, DHCS may withhold monthly SABG payments if the Contractor fails to:

The payment shall include any funds withheld pursuant to Section 2(A)(5).
5. Adjustments may be made to the total Contract amount and funds may be withheld from payments otherwise due to the Contractor hereunder, for nonperformance to the extent that

Exhibit B A1
Budget Detail and Payment Provisions

nonperformance involves fraud, abuse, or failure to achieve the objectives of the provisions of Exhibit A, Attachment I, Part I.

B. Payment Provisions

For each fiscal year, the total amount payable by DHCS to the Contractor for services provided under Exhibit A, Attachment I, Part I, shall not exceed the encumbered amount. The funds identified for the fiscal years covered by Exhibit A, Attachment I, Part I, are subject to change depending on the availability and amount of funds appropriated by the Legislature and the Federal Government. Changes to encumbered funds require a written amendment to the Contract. DHCS may settle costs for SABG services based on the year-end cost settlement report as the final amendment to the approved single state/county Contract.

C. In the event of a Contract amendment, as required by the preceding paragraph, the Contractor shall submit to DHCS the information identified in Exhibit E, Section (1)(B). To the extent the Contractor is notified of the State Budget Act allocation prior to the execution of the Contract, DHCS and the Contractor may agree to amend the Contract after the issuance of the first Budget Act allocation.

10. Exception regarding inpatient hospital services:
 - a) Medical necessity as precondition: With respect to compliance with the agreement made under this Exhibit, Part II, Section 2(l), a State may expend a grant under 42 USC 300x-21 to provide inpatient hospital services as treatment for substance abuse only if it has been determined, in accordance with guidelines issued by the Secretary, that such treatment is a medical necessity for the individual involved, and that the individual cannot be effectively treated in a community-based, nonhospital, residential program of treatment.

Exhibit B A1
Budget Detail and Payment Provisions

- b) Rate of payment: In the case of an individual for whom a grant under section 300x–21 of this title is expended to provide inpatient hospital services described in paragraph (4a), a funding agreement for the grant for the State involved is that the daily rate of payment provided to the hospital for providing the services to the individual will not exceed the comparable daily rate provided for community-based, non-hospital, residential programs of treatment for substance abuse.

11. Waiver regarding construction of facilities:

- a) In general: The Secretary may provide to any State a waiver of the restriction established in 42 USC 300x–31, subsection (a)(1)(C), for the purpose of authorizing DHCS to expend a grant under section 42 USC 300x–21 for the construction of a new facility or rehabilitation of an existing facility, but not for land acquisition.
- b) Standard regarding need for waiver: The Secretary may approve a waiver under 42 USC 300x–31(c), only if DHCS demonstrates to the Secretary that adequate treatment cannot be provided through the use of existing facilities and that alternative facilities in existing suitable buildings are not available.
- c) Amount: In granting a waiver under 42 USC 300x–31(c), the Secretary shall allow the use of a specified amount of funds to construct or rehabilitate a specified number of beds for residential treatment and a specified number of slots for outpatient treatment, based on reasonable estimates by DHCS of the costs of construction or rehabilitation. In considering waiver applications, the Secretary shall ensure that DHCS has carefully designed a program that will minimize the costs of additional beds.
- d) Matching funds: The Secretary may grant a waiver under 42 USC 300x–31 (c), only if DHCS agrees, with respect to the costs to be incurred by DHCS in carrying out the purpose of the waiver, to make available non-federal contributions in cash toward such costs in an amount equal to not less than \$1 for each \$1 of federal funds provided under 42 USC 300x–21.

- A. In addition to the requirements identified below, the Contractor and its subcontractors are required to meet the audit requirements as delineated in Exhibit C, General Terms and Conditions, and Exhibit D(F), Special Terms and Conditions, of this Contract.
- B. All expenditures of county realignment funds, state and federal funds furnished to the Contractor and its subcontractors pursuant to this Contract are subject to audit by DHCS. Such audits shall consider and build upon external independent audits performed pursuant to audit requirements of 45 CFR, Part 75, Subpart F and/or any independent Contractor audits or reviews. Objectives of such audits may include, but are not limited to, the following:
1. To determine whether units of service claimed/reported are properly documented by service records and accurately accumulated for claiming/reporting.
 2. To validate data reported by the Contractor for prospective contract negotiations.
 3. To provide technical assistance in addressing current year activities and providing recommendations on internal controls, accounting procedures, financial records, and compliance with laws and regulations.

- D. The refusal of the Contractor or its subcontractors to permit access to and inspection of electronic or print books and records, physical facilities, and/or refusal to permit interviews with employees, as described in this part constitutes an express and immediate material breach of this Contract and will be sufficient basis to terminate the Contract for cause or default.
- E. Reports of audits conducted by DHCS shall reflect all findings, recommendations, adjustments, and corrective actions as a result of its finding in any areas.

Section 2. SABG Financial Audits

- A. Contractor shall monitor the activities of all of its subcontractors to ensure that the SABG funds are used for authorized purposes, in compliance with federal statutes, regulations, and the terms and conditions of the grant, and that performance goals are achieved.

Exhibit B A1
Budget Detail and Payment Provisions

- B. Contractor may use a variety of monitoring mechanisms, including limited scope audits, on-site visits, progress reports, financial reports, and review of documentation support requests for reimbursement, to meet the Contractor's monitoring objectives. Contractor may charge federal awards for the cost of these monitoring procedures if permitted under 45 CFR 75.425.
- C. Contractor shall submit to DHCS a copy of the procedures and any other monitoring mechanism used to monitor non-profit Subcontracts at the time of the County's annual desk review or site visit or within 60 days thereafter. Contractor shall state the frequency that non-profit Subcontracts are monitored.
- D. On-site visits focus on compliance and controls over compliance areas. The DHCS County Monitoring Unit analyst shall make site visits to the subcontractor location(s), and can use a variety of monitoring mechanisms to document compliance requirements. The Contractor shall follow-up on any findings and the corrective actions. ~~42 USC 300x-31 subsection (a)(1)(C)~~
1. Contractor shall be responsible for any disallowance taken by the Federal Government, DHCS, or the California State Auditor, as a result of any audit exception that is related to the Contractor's responsibilities herein. Contractor shall not use funds administered by DHCS to repay one federal funding source with funds provided by another federal funding source, to repay federal funds with state funds, or to repay state funds with federal funds. DHCS shall invoice Contractor 60 days after issuing the final audit report or upon resolution of an audit appeal. Contractor agrees to develop and implement any CAP in a manner acceptable to DHCS in order to comply with recommendations contained in any audit report. Such CAP plans shall include time-specific objectives to allow for measurement of progress and are subject to verification by DHCS within one year from the date of the plan.
- E. Contractors that conduct financial audits of subcontractors, other than a subcontractor whose funding consists entirely of non-Department funds, shall develop a process to resolve disputed financial findings and notify subcontractors of their appeal rights pursuant to that process. If any fiscal adjustments remain after the Contractor and subcontractor have exhausted the internal appeals process, any SABG funds outstanding shall be returned to DHCS. This section shall not apply to those grievances or compliances arising from the financial findings of an audit or examination made by or on behalf of DHCS pursuant to Part III of this Exhibit.
- F. If the Contractor fails to comply with ~~F~~ederal statues, regulations, or the terms and conditions of the grant, DHCS may impose additional conditions on the subaward, including:
1. Requiring additional or more detailed financial reports.
 2. Requiring technical or management assistance.
 3. Establishing additional prior approvals.

1. Temporarily withhold cash payment pending correction of the deficiency by the Contractor.
 2. Disallow all or part of the cost of the activity or action not in compliance.

Exhibit B A1
Budget Detail and Payment Provisions

3. Wholly or partly suspend the award activities or terminate the Contractor's subaward.

Part IV – Records

Section 1 - General Provisions

A. Maintenance of Records

Contractor shall maintain sufficient books, records, documents, and other evidence necessary for DHCS to audit contract performance and contract compliance. Regardless of the location or ownership of such records, they shall be sufficient to determine if costs incurred by Contractor are reasonable, allowable, and allocated appropriately. All records must be capable of verification by qualified auditors.

1. Contractor and subcontractors shall include in any contract with an audit firm a clause to permit access by DHCS to the working papers of the external independent auditor, and require that copies of the working papers shall be made for DHCS at its request.

3. Accounting records and supporting documents shall be retained for a three-year period from the date the year-end cost settlement report was approved by DHCS for interim settlement. When an audit by the Federal Government, DHCS, or the California State Auditor has been started before the expiration of the three-year period, the records shall be retained until completion of the audit and final resolution of all issues that arise in the audit. Final settlement shall be made at the end of the audit and appeal process. If an audit has not been completed within three years, the interim settlement shall be considered as the final settlement.
4. Financial records shall be kept so that they clearly reflect the source of funding for each type of service for which reimbursement is claimed. These documents include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs. All records must be capable of verification by qualified auditors.
5. Contractor's subcontracts shall require that all subcontractors comply with the requirements of Exhibit A, Attachment I, Part I, Section 3.
6. Should a subcontractor discontinue its contractual agreement with the Contractor, or cease to conduct business in its entirety, Contractor shall be responsible for retaining the subcontractor's fiscal and program records for the required retention period. The State Administrative Manual (SAM) contains statutory requirements governing the retention, storage, and disposal of records pertaining to state funds. Contractor shall follow SAM requirements located at <http://sam.dgs.ca.gov/TOC/1600.aspx>.
7. The Contractor shall retain all records in accordance with the time periods outlined in 45 CFR Section 75.361.

Exhibit F A1
Privacy and Information Security Provisions

- a. Initial Notice to the Department. (1) To notify the Department **immediately by telephone call or email or fax** upon the discovery of a breach of unsecured Department PI or PII in electronic media or in any other media if the PI or PII was, or is reasonably believed to have been, accessed or acquired by an unauthorized person, or upon discovery of a suspected security incident involving Department PII. (2) To notify the Department **within 24 hours by email or fax** of the discovery of any suspected security incident, intrusion or unauthorized access, use or disclosure of Department PI or PII in violation of this Agreement or this Exhibit F-1 or potential loss of confidential data affecting this Agreement. A breach shall be treated as discovered by Contractor as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach) who is an employee, officer or other agent of Contractor.
- b. Notice shall be provided to the Information Protection Unit, Office of HIPAA Compliance. If the incident occurs after business hours or on a weekend or holiday and involves electronic Department PI or PII, notice shall be provided by calling the Department Information Security Officer. Notice shall be made using the DHCS "Privacy Incident Report" form, including all information known at the time. Contractor shall use the most current version of this form, which is posted on the DHCS Information Security Officer website (www.dhcs.ca.gov, then select "Privacy" in the left column and then "Business Partner" near the middle of the page) or use this link:
<http://www.dhcs.ca.gov/formsandpubs/laws/priv/Pages/DHCSBusinessAssociatesOnly.aspx> .
- c. Upon discovery of a breach or suspected security incident, intrusion or unauthorized access, use or disclosure of Department PI or PII, Contractor shall take:
 - i. Prompt corrective action to mitigate any risks or damages involved with the breach and to protect the operating environment; and

Within 72 hours of the discovery, Contractor shall submit an updated "Privacy Incident Report" containing the information marked with an asterisk and all other applicable information listed on the form, to the extent known at that time, to the Department Information Security Officer.

- e. **Complete Report.** To provide a complete report of the investigation to the Department Program Contract Manager and the Information Protection Unit within ten working days of the discovery of the breach or unauthorized use or disclosure. The report shall be submitted on the "Privacy Incident Report" form and shall include an assessment of all known factors relevant to a determination of whether a breach occurred. The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If the Department requests information in addition to that listed on the "Privacy Incident Report" form, Contractor shall make reasonable efforts to provide the Department with such information. If, because of the circumstances of the incident, Contractor needs more than ten working days from the discovery to submit a complete report, the Department may grant a reasonable extension of time, in which case Contractor shall submit periodic updates until the complete report is submitted. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated "Privacy Incident Report" form. The Department will review and approve the determination of whether a breach occurred and whether individual notifications and a corrective action plan are required.

- f. **Responsibility for Reporting of Breaches.** If the cause of a breach of Department PI or PII is attributable to Contractor or its agents, subcontractors or vendors, Contractor is

Contractor shall bear all costs of required notifications to individuals as well as any costs associated with the breach. The Privacy Officer shall approve the time, manner and content of any such notifications and their review and approval must be obtained before the notifications are made. The Department will provide its review and approval expeditiously and without unreasonable delay.

- g. If Contractor has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to the Department in addition to Contractor, Contractor shall notify the Department, and the Department and Contractor may take appropriate action to prevent duplicate reporting.
- h. **Department Contact Information.** To direct communications to the above referenced Department staff, the Contractor shall initiate contact as indicated herein. The Department reserves the right to make changes to the contact information below by giving written notice to the Contractor. Said changes shall not require an amendment to this Addendum or the Agreement to which it is incorporated.

Contractor is solely responsible for all decisions made by Contractor regarding the safeguarding of the Department PHI, PI and PII.
- 3) **Amendment.** The parties acknowledge that federal and state laws relating to electronic data security and privacy are rapidly evolving and that amendment of this Exhibit F may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, and the HIPAA regulations, and other applicable state and Federal laws. Upon either party's request, the other party agrees to promptly enter into negotiations concerning an amendment to this Exhibit F embodying written assurances consistent with the standards and requirements of HIPAA, the HITECH Act, and the HIPAA regulations, and other applicable state and Federal laws. The Department may terminate this Agreement upon thirty (30) days written notice in the event:
 - A) Contractor does not promptly enter into negotiations to amend this Exhibit F when requested by the Department pursuant to this section; or

- 5) **Assistance in Litigation or Administrative Proceedings.** Contractor shall make itself and any subcontractors, employees, or agents assisting Contractor in the performance of its obligations under this Agreement, available to the Department at no cost to the Department to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against the Department, its directors, officers or employees based upon claimed violation of HIPAA, or the HIPAA regulations, which involves inactions or actions by the Contractor, except where Contractor or its subcontractor, employee or agent is a named adverse party.
- 6) **No Third-Party Beneficiaries.** Nothing expressed or implied in the terms and conditions of this Exhibit F is intended to confer, nor shall anything herein confer, upon any person other than the Department or Contractor and their respective successors or assignees, any rights, remedies, obligations or liabilities whatsoever.
- 7) **Interpretation.** The terms and conditions in this Exhibit F shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, and the HIPAA regulations. - 8) **Conflict.** In case of a conflict between any applicable privacy or security rules, laws, regulations or standards the most stringent shall apply. The most stringent means that safeguard which provides the highest level of protection to PHI, PI and PII from unauthorized disclosure. Further, Contractor must comply within a reasonable period of time with changes to these standards that occur after the effective date of this Agreement.

Contractor shall promptly remedy any violation of any provision of this Exhibit F. The fact that the Department inspects, or fails to inspect, or has the right to inspect, Contractor's facilities, systems and procedures does not relieve Contractor of its responsibility to comply with this Exhibit F. The Department's failure to detect a non-compliant practice, or a failure to report a detected non-compliant practice to Contractor does not constitute acceptance of such practice or a waiver of the Department's enforcement rights under this Agreement, including this Exhibit F.
- 13) **Due Diligence.** Contractor shall exercise due diligence and shall take reasonable steps to ensure that it remains in compliance with this Exhibit F and is in compliance with applicable provisions of HIPAA, the HITECH Act and the HIPAA regulations, and other applicable state and Federal law, and that its agents, subcontractors and vendors are in compliance with their obligations as required by this Exhibit F.
