The Carpinteria Valley Greenhouse Program is scheduled for approval at the Board of Supervisors on February 19, 2002 and the Toro Canyon Plan is scheduled for approval on February 25, 2002. Staff recommends that your Board approve the attached resolution incorporating both cases into the submittal package.

State law and local ordinance require certification of Board-approved LCP amendments by the California Coastal Commission.

No changes in service levels would occur beyond those authorized under P&D's existing work program for adoption and implementation of the programs.

No change in fiscal impacts beyond P&D's adopted budget; no facilities impacts.
