

NOTICE OF PUBLIC HEARING

PROPOSED UNDERGROUND UTILITY DISTRICT

BRADLEY ROAD FROM AMETHYST DRIVE TO NORTH OF LARCH AVENUE

ORCUTT, CALIFORNIA

Notice hereby given that a public hearing will be held by the Santa Barbara County Board of Supervisors, State of California, on October 21, 2014 at 9:00 am (or as soon thereafter, as circumstances permit) in the Board of Supervisor's Hearing Room, 105 East Anapamu Street, Santa Barbara, California relative to the adoption of a resolution to form a Utility Undergrounding District within which overhead utility lines will be placed underground.

Boundaries of the proposed District to be considered, are outlined on a map enclosed herewith, generally described as Bradley Road from Amethyst Drive to approximately 525 feet north of Larch Avenue in Orcutt, California, including those properties affected by said district along frontage of the undergrounding district.

The cost of undergrounding within the public road right-of-way will be borne by the utility companies involved. Undergrounding of the service connections (up to 100 feet) as well as up to \$1,500 towards the cost of electrical panel conversion will also be covered by the utility companies. Costs for work exceeding the above as well as the costs for permit fees is the responsibility of the property owner. Underground service connections to the properties must be performed on the schedule indicated in the resolution. The Board of Supervisors may authorize and direct the disconnection and removal of any and all overhead services, wires, and associated facilities supplying utility service to property within the said District.
