568-2032
Administration Division –South County

SUBJECT: 03AGP-00000-00014
Grimes-Giuliani Agricultural Preserve Replacement Contract

Recommendation:

That the Board of Supervisors:

Approve and direct execution and recordation by the Clerk of the Board of new replacement contract 03AGP-00000-00014, replacing a portion of the original Agricultural Preserve 71-AP-003A. The replacement contract involves Assessor's Parcel No. 155-150-005, located at 3350 Foothill Road, in the Carpinteria area, 1st Supervisorial District..

Alignment with Board Strategic Plan:

The recommendation is primarily aligned with actions required by law or by routine business necessity.

Executive Summary and Discussion:

The subject property has been in an agricultural preserve (71-AP-003A) and was created on January 1, 1972. The original preserve was involved in a lot line adjustment which modified the boundaries of the existing preserve thus causing the need for the replacement contract. The site is approximately 15.0 acres used for avocado orchards.

Mandates and Service Levels:

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

The costs associated with processing this replacement contract are offset by the \$956.00 processing fee required to be paid by the applicant per the Planning & Development adopted fee schedule.

Special Instructions:

Please distribute copies of the recorded contract with attached legal descriptions and copies of the Board of Supervisors Minute Order as follows:
