Recommended Actions:

That the Board of Supervisors:

- a) Set a hearing for November 29th to consider the introduction (first reading) of an ordinance amending Chapter 15 of the Santa Barbara County Code to adopt the 2022 California Fire Code with local amendments as the enforcement Code in all areas within the Santa Barbara County Fire Protection District and all other unincorporated areas of the County where the Santa Barbara County Fire Department is the authority having jurisdiction (AHJ), unless otherwise specified by this ordinance;
- b) Read the title of the Ordinance and waive full reading of the Ordinance; and
- c) Continue the hearing to December 6th, 2022 on the Administrative Agenda to consider recommendations, as follows:
 - i) On December 6th, 2022, consider the adoption (second reading) of an ordinance amending Chapter 15 of the Santa Barbara County Code as set forth above; and
 - ii) Consider and approve adoption of a Resolution of Legislative Findings Supporting Amendments to the California Fire Code; and
 - iii) Determine that the adoption of this ordinance is categorically exempt from the California Environmental Quality Act in compliance with Section 15061 (b), (3), (No possibility of impact on the environment).

Summary Text:

In July 2022, the State of California adopted the 2022 California Fire Code, which incorporates the 2021 edition of the International Fire Code of the International Code Council with California amendments. On January 1, 2023, the 2022 California Fire Code becomes effective and pursuant to Section 13146 of the Health and Safety Code, the Fire Chief of Santa Barbara County shall enforce within its jurisdiction the building standards and other regulations of the State Fire Marshal, namely the 2022 California Fire Code. In addition, Section 13869.7 of the Health and Safety Code states that a fire protection district “may adopt building standards relating to fire and panic safety that are more stringent than those building standards adopted by the State Fire Marshal and contained in the California Building Standards Code.”

There will be **no** fee increases with this proposed adoption.

Copies of the proposed ordinance will be distributed for review and comment to the cities of Buellton, Goleta and Solvang, which are located in the Santa Barbara County Fire Protection District. In addition, copies will be sent to various industry groups and the other fire districts and departments in the County for their review and comment.

Special Instructions:

The Clerk of the Board shall notice the proposed ordinance in a newspaper of general circulation in the County of Santa Barbara by publishing a summary of the ordinance once at least five days prior to the first reading and again within 15 days after adoption, including the names of those supervisors voting for and against the ordinance.
