FROM: Department Director: Scott D. McGolpin, Public Works Director 568-3010
Contact Info: Dacé B. Morgan, Deputy Director of Transportation 568-3064
SUBJECT: Construction of Bridge No. 51C-0347 on Jonata Park Road at Zaca Creek, near the City of Buellton in the Third Supervisorial District, Federal Project No. BROS-083(016), Santa Barbara County Project No. 863001

County Counsel Concurrence

As to form: N/A

Auditor-Controller Concurrence

As to form: N/A

Other Concurrence:

As to form: N/A

Recommended Actions:

That the Board of Supervisors:

Accept Notice of Completion for work performed by the Contractor, Souza Engineering Contracting, Inc. (not a local vendor), Post Office Box 3810, San Luis Obispo, California 93403-3810, and authorize Clerk to Record.

Summary Text:

The bridge construction site was located approximately 3.0 miles North of State Highway 246 near the City of Buellton on Jonata Park Road at Zaca Creek. The original bridge built in 1916, was identified as structurally deficient and needing to be replaced. The scope of work for this project included removal of the existing bridge, construction of a 95'-9" long, 36'-6" wide cast in place pre-stressed concrete bridge, placement of roadway fill to raise the vertical profile, reconstruction of the bridge approach, as well as related public improvements. The approach roadway was constructed of concrete pavement to match the existing roadway and provide a continuity of the driving experience.

The Director of Public Works accepted this project as complete on January 31, 2008. The project was completed on time and on budget.

Background:

The County's Board of Supervisors approved the Project and Categorical Exemption pursuant to the California Environmental Quality Act (CEQA) and authorized the Public Works Transportation

Division to proceed with right of way negotiations and advertisement of construction bids on March 28th, 2000 (Clerk of the Board File No. 00-21,669). The County's Board of Supervisors approved the Real Property Purchase Contract and Escrow Instructions on December 19th, 2006 (Clerk of the Board File No. 05-01148).

The original bridge was eligible for listing on the National Historic Register. The Department worked with the County's Historic Landmarks Commission and all parties agreed that replacement of this bridge was the prudent alternative. The plaque embedded into the original concrete barrier rail was removed and restored during construction. This plaque will be given to the Buellton Historic Society.

Before

After

Budgeted: Yes

Fiscal Analysis:

<u>Funding Sources</u>	<u>Current FY Cost:</u>	<u>Annualized On-going Cost:</u>	<u>Total One-Time Project Cost</u>
General Fund			
State			
Federal: (HBP)			\$ 1,460,080.54
Other: (Meas. "D")			\$ 189,168.91
Total			\$ 1,649,249.45

Narrative:

The total project funding, including contingencies, amounted to \$1,649,249.45. Of this total, \$1,460,080.54 (88.53%) was provided by Federal funding from the Highway Bridge Program (HBP). The 11.47% local match, in the amount of \$189,168.91 was provided by Measure D funds.

The funds have been budgeted in Dept 054, Fund 0015, Program 2900, Org Unit 0001, and in Line Accounts 7510 for HBP Funding and 7511 for Measure D.

Staffing Impacts: N/A
