Summary Text:

The above-referenced agreement is on the agenda to request approval and authorization to renew the Agreement for Services of Independent Contractor with LocumTenens.com LLC for FY 2022-2024, for a total Maximum Agreement Value not to exceed \$2,400,000 for the period of July 1, 2022 through June 30, 2024. Additionally, the Santa Barbara County Department of Behavioral Wellness (BWell) requests delegation of authority to the Director of BWell or designee to make immaterial changes to the Agreement per Section 26 of the Agreement without requiring formal amendment of the Agreement, subject to the Board’s ability to rescind this delegated authority at any time. Approval of the recommended actions will allow the Santa Barbara County Department of Behavioral Wellness (BWell) to task LocumTenens.com LLC to refer professionals who can provide mandated and greatly needed psychiatry services for outpatient services and acute inpatient services within the system of care.

Background:

BWell provides a continuum of mental health and substance use disorder services to Santa Barbara County residents, including psychiatric and nursing services at its County facilities. Across the nation, there is an ongoing shortage of psychiatric and nursing services. BWell has experienced ongoing challenges that mirror the national challenges of attracting and retaining qualified psychiatrists to work at BWell facilities. BWell currently uses locum tenens temporary physicians to fill ongoing needs for psychiatric staff at outpatient facilities and the Psychiatric Health Facility (PHF).

LocumTenens.com LLC provides temporary psychiatrists, nurse practitioners, and physician’s assistants to Behavioral Wellness clinics, the PHF, and other Behavioral Wellness programs, as needed. These temporary staff provide mandated psychiatric services such as diagnostic evaluations; medication evaluations; prescriptions for psychiatric medications; review, revision, and approval of client assessments; and participation in the development, review, revision, and approval of client treatment plans.

Performance Outcomes:

BWell is currently utilizing three (3) professionals (2.0 FTE) provided by LocumTenens.com LLC, all of whom are psychiatrists. These locum tenens professionals are providing services throughout the County at various programs including adult services and the Assertive Community Treatment (ACT) program. The staffing professionals are all performing on par with the County’s civil service providers. They provide services according to generally accepted practices, participate in medical staff meetings, are part of medical staff meeting peer review, and respond appropriately to communications and clinical feedback.

Fiscal and Facilities Impacts:

Narrative: The above-referenced contract is funded by State and Federal funds. The funding sources were included in the FY 22-23 Proposed Budget.

Key Contract Risks:

With any contractor providing temporary staffing services, there is a risk that temporary personnel will make errors, engage in misconduct, or be negligent in the performance of assigned duties. BWell may cancel an assignment for cause or convenience, and the contractor provides professional liability insurance for the professionals to mitigate these risks. In addition, the County pays only the contractor's fees when the County utilizes a healthcare professional referred by the contractor; there are no monthly fees attached to this agreement.

Special Instructions:

Please email one (1) complete executed contract and one (1) minute order to bethle@sbcbswell.org and bwellcontractsstaff@sbcbswell.org.
